Class Representatives Sagacity, Inc., The Duncan Group, LLC, and Hitch Enterprises, Inc. (“Class Representatives”) move the Court for final approval of the:

1. Proposed class action Settlement;
2. Notice of Settlement and Plan of Notice; and
3. Proposed Preliminary Distribution Order.

Class Representatives’ proposed Judgment is attached as **Exhibit 1**, and Class Representatives’ Proposed Preliminary Distribution Order is attached as **Exhibit 2**.¹ With no objections filed to date and with only two of the over 20,000 potential Class Members requesting to opt-out as of this filing, Class Representatives submit that the Settlement is fair, reasonable, and adequate and should be finally approved. **Exhibit 3**, Declaration of Dan Little, President of Sagacity, Inc.; **Exhibit 4**, Declaration of David Duncan, Manager of The Duncan Group, LLC., and **Exhibit 5**, Declaration of Jason Hitch, Chief Executive Officer of Hitch Enterprises, Inc. (“Class Rep. Decls.”).²

BACKGROUND

In the interest of brevity, Class Representatives will not recite the entire background of this Litigation, which has spanned nearly seven years across multiple venues. Rather, Class Representatives refer the Court to the Motion for Preliminary Approval (Docket No. 129), the Declaration of Class Counsel (“Class Counsel Decl.”) (**Exhibit 6**), the pleadings on file in this action, the pleadings on file in the Western District Action (Docket No. 129-

¹ The proposed judgment was attached as Exhibit 2 to the Settlement Agreement, Docket No. 129-1. Class Counsel will submit native versions of the proposed orders to the Court in advance of the Final Fairness Hearing and after the exclusion and objection deadline (May 17, 2024) has expired.

² Capitalized terms not otherwise defined shall have the meanings ascribed to them in the Settlement Agreement.

2), the pleadings of file in the State Court Action (Docket No. 129-3), and any other matters of which the Court may take judicial notice, all of which are incorporated as if fully set out in this memorandum.

On March 4, 2024, the Court issued an order preliminarily approving the Settlement, approving the Form and Manner of Notice, and setting a date of June 7, 2024, for the Final Fairness Hearing. Docket No. 136 at 9, ¶ 13 (“Preliminary Approval Order”). The Court also approved the Notices of Proposed Settlement of Class Action (“Class Notices”), for mailing and publication. *Id.* at 6-7, ¶ 8-9. The Court ordered that Notice be given to the Class Members in accordance with the Form and Manner of Notice as outlined in the Settlement Agreement and found that the Notices being provided “are the best notice practicable under the circumstances, constitute due and sufficient notice to all persons and entities entitled to receive such notice, and fully satisfy the requirements of applicable laws, including due process and Federal Rule of Civil Procedure 23.” *Id.* at 6, ¶ 8. Notice was mailed, by first-class mail, as ordered by the Court, to 20,678 potential members of the Settlement Class on April 3, 2024. **Exhibit 7**, Declaration of Jennifer M. Keough Regarding Notice Mailing and Administration of Settlement (“Keough Decl.”) ¶¶ 6-8. Notice was also published on the Settlement website and, on April 11, 2024, in *The Oklahoman* and *The Tulsa World*, as directed in the Preliminary Approval Order. Docket No. 136 at 7, ¶ 9(b); **Ex. 7**, Keough Decl. ¶ 9.

The facts regarding certification haven’t changed since the Court entered the Preliminary Approval Order—class certification remains proper. A general plan of allocation was described in the Notice, along with the other material terms of the Settlement

Agreement. *See* **Ex. 7**, Keough Decl. at Exs. A- C; Settlement Agreement, Docket No. 129-1. Consistent with the Notice and the Allocation Methodology described in the Settlement Agreement, the Preliminary Distribution Schedule shows the proposed distributions to each member of the Settlement Class and a calculated amount of distribution. The Preliminary Distribution Schedule assumes the Court approves the requests for reimbursement of Litigation Expenses and Administration, Notice, and Distribution Costs, and the requests for Plaintiff's Attorneys' Fees and an Incentive Award. The Settlement Agreement contemplates that Class Representatives will move the Court for a Distribution Order based upon the Final Distribution Schedule within sixty (60) days after the Effective Date, with the benefit of the Court's ruling on those requests. *See* Docket No. 129-1 at 26, ¶ 6.3 & 6.4.

Following mailing of the Notices and publication, Members of the Settlement Class had forty-four (44) days to request exclusion or file an objection. Only two requests for exclusion and no objections have been received as of the time of this filing.³ *See* **Ex. 7**, Keough Decl. ¶¶ 14-17. The small number of opt-outs from and no objections to the Settlement thus far support the conclusion that the Settlement and Allocation Methodology are fair, adequate, reasonable, and in the best interests of the Settlement Class such that final approval should be granted.

³ Because this Motion is due before the exclusion and objection deadline (May 17, 2024), Class Representative will submit a supplement detailing the requests for exclusion and objections, if any, received and indicate those that were properly submitted.

ARGUMENT & AUTHORITY

The Court should grant final approval of the Settlement. The procedure for reviewing a proposed class action settlement is a well-established two-step process. First, the Court conducts a preliminary analysis to determine if the settlement should be preliminarily approved such that the class should be notified of the pendency of a proposed settlement. Manual for Complex Litigation § 21.632 (4th ed. 2004). Second, the class is notified and provided an opportunity to be heard at a fairness hearing before the settlement is finally approved. Alba Conte & Herbert B. Newberg, *Newberg on Class Actions* § 13.1 (6th ed. 2002). The Court already carried out the first step with its Preliminary Approval Order, and notice was effectuated pursuant to the terms of the Settlement Agreement and in the form and manner approved by the Court. *See Ex. 7*, Keough Decl. ¶¶ 6-13. As to the final step, courts in the Tenth Circuit consider four factors when deciding whether to finally approve a class action settlement:

- a. Whether the proposed settlement was fairly and honestly negotiated;
- b. Whether serious questions of law and fact exist, placing the ultimate outcome of the litigation in doubt;
- c. Whether the value of an immediate recovery outweighs the mere possibility of future relief after protracted and expensive litigation; and
- d. Whether, in the parties' judgment, the settlement is fair and reasonable.

See Rutter & Wilbanks Corp. v. Shell Oil Co., 314 F.3d 1180, 1188 (10th Cir. 2002); *Jones v. Nuclear Pharmacy, Inc.*, 741 F.2d 322, 324 (10th Cir. 1984); *see also* Fed. R. Civ. P. 23(e)(2). Each factor supports final approval of the Settlement here.

1. The Court Properly Certified the Settlement Class for Settlement Purposes and Should Confirm this Finding by Finally Certifying the Settlement Class Under Rule 23

Before addressing the four factors, the Court must find class certification remains appropriate for settlement purposes. The Court certified the following Settlement Class:

All royalty owners in Oklahoma wells (a) operated and leased by Cimarex Energy Co., (b) operated by Cimarex Energy Co. of Colorado, Inc. and leased by Prize Energy Resources, Inc. or Magnum Hunter Production, Inc., and (c) operated or leased by Key Production Company, Inc. that have produced gas or gas constituents (such as residue gas or natural gas liquids) from January 1, 2013, to November 30, 2023.

Excluded from the Class are: (1) the Mineral Management Service (Indian tribes and the United States) and the State and Counties of Oklahoma; (2) Defendants, their affiliates, and employees, officers and directors; (3) Any NYSE or NASDAQ listed company (and its subsidiaries) engaged in oil and gas exploration, gathering, processing, or marketing; (4) royalty owners who have already filed and still have pending lawsuits for underpayment of royalties against Defendants, including: Fortis Minerals II, LLC, Fortis Sooner Trend, LLC, FMII STM, LLC, Sooner Trend Minerals, LLC, and Phenom Minerals, LLC; (5) all royalty owners that expressly authorized in their leases the deduction of processing costs from royalties; and (6) all royalty owners to the extent their wells are both subject to the class action settlement in *Chieftain Royalty Co. v. QEP Energy*, No. 5:11-cv-00212-R, and the well was subsequently acquired by Defendants or any of their affiliates.

Docket No. 136 at 3, ¶ 3.⁴ Class certification remains proper under Rule 23(a) and (b)(3) for settlement purposes for the reasons set forth in the Preliminary Approval Motion (*see* Docket No. 129). Defendants consent to certification of the Settlement Class for the

⁴ For purposes of clarification, and as requested by the U.S. Department of Interior, the exclusion related to the Minerals Management Service (Indian tribes and the United States) includes agencies, departments, or instrumentalities of the United States of America and any Indian Tribe as defined in 30 U.S.C. § 1702(4) or Indian allottee as defined in 30 U.S.C. § 3702(2).

purpose of effectuating the Settlement. The prerequisites for class certification under Rule 23(a) and (b)(3) are satisfied. *First*, Rule 23(a)(1)'s numerosity requirement is satisfied because the Settlement Class consists of over 20,000 owners, whose joinder would be impracticable. **Ex. 7**, Keough Decl. ¶ 4; *see also Trevizo v. Adams*, 455 F.3d 1155, 1161-62 (10th Cir. 2006). *Second*, Rule 23(a)(2)'s commonality requirement is met because many questions of law and fact exist that could be answered uniformly for the Settlement Class using common evidence. *Tyson Foods, Inc. v. Bouaphakeo*, 577 U.S. 442, 454 (2016); *see also Menocal v. GEO Grp., Inc.*, 882 F.3d 905, 914 (10th Cir. 2018) (“A finding of commonality requires only a single question of law or fact common to the entire class”) (internal citations omitted). Each of these common issues stems from a common body of law—the law of the State of Oklahoma on royalty payment obligations. The real property interests at issue are property located in the State of Oklahoma, and the payments at issue are governed by Oklahoma substantive law. Thus, any choice of law analysis would result in the application of Oklahoma law to the legal claims and, as such, there are no other states' laws implicated by this action, nor any other choice of law issues that could affect the Court's commonality analysis here. *See id.* *Third*, Rule 23(a)(3)'s typicality requirement is satisfied because Defendants treated all owners similarly for purposes of royalty payments, the same legal theories and fact issues underlie each Class Member's claims, and all Class Members suffered the same type of injury arising out of the same facts that can be proven by the same, common evidence. *DG ex rel. Stricklin v. Devaughn*, 594 F.3d 1188, 1198-99 (10th Cir. 2010). *Finally*, Rule 23(a)(4)'s adequacy of representation requirement is satisfied because there are no conflicts—minor or otherwise—between

Class Representatives and the other Class Members. Exs. 3-5, Class Rep. Decls.; see *Tennille v. Western Union Co.*, 785 F.3d 422, 430 (10th Cir. 2015) (“Only a conflict that goes to the very subject matter of the litigation will defeat a party’s claim of representative status.”) (internal citation omitted). Class Representatives and Class Counsel have prosecuted the Litigation vigorously and Class Counsel is qualified to represent the Class here. See Ex. 6, Class Counsel Decl. ¶¶ 1-27, 56.

Additionally, Rule 23(b)(3)’s predominance and superiority requirements are satisfied here. *Tyson Foods*, 577 U.S. at 453; *Menocal*, 882 F.3d at 914-15 (“[T]he predominance prong asks whether the common, aggregation-enabling, issues in the case are more prevalent or important than the non-common, aggregation-defeating, individual issues” (citations omitted)); *In re Urethane Antitrust Litig.*, 768 F.3d 1245, 1255 (10th Cir. 2014); *CGC Holding Co., LLC v. Broad & Cassel*, 773 F.3d 1076, 1087 (10th Cir. 2014). The predominance requirement is met because the substantive claims are all common as are the aggregation-enabling issues of fact (chiefly, Defendants’ common course of royalty underpayments to Class Members). The common questions under the shared law predominate over and are more important than any potential individual issues that theoretically could arise in the Litigation. And the superiority requirement is satisfied because resolving the Litigation through the classwide Settlement is far superior to any other method for fairly and efficiently adjudicating these claims.

The Court properly certified the Settlement Class and, because Class Representatives have proven that each of the requirements for certification under Rule 23(a) and (b)(3) remain satisfied, this finding should be confirmed with the final

certification of the Settlement Class under Rule 23.

2. The Court Should Grant Final Approval of the Settlement

The Court should finally approve the Settlement as fair and reasonable. The Court has broad discretion in deciding whether to grant approval of a class action settlement. *Jones*, 741 F.2d at 324. “As a general policy matter, federal courts favor settlement, especially in complex and large-scale disputes, so as to encourage compromise and conserve judicial and private resources.” *In re Global Crossing Sec. & ERISA Litig.*, 225 F.R.D. 436, 455 (S.D.N.Y. 2004); *see also In re Warfarin Sodium Antitrust Litig.*, 391 F.3d 516, 535 (3d Cir. 2004) (“[T]here is an overriding public interest in settling class action litigation, and it should therefore be encouraged.”). As demonstrated below, each of the four factors identified by the Tenth Circuit weighs in favor of final approval.

A. The Settlement is the product of extensive arm’s-length negotiations between experienced counsel

The fact that the Settlement was fairly and honestly negotiated by qualified, experienced counsel supports final approval. *See Reed v. GM Corp.*, 703 F.2d 170, 175 (5th Cir. 1983) (“[T]he value of the assessment of able counsel negotiating at arm’s length cannot be gainsaid.”). The fairness of the negotiation process is to be examined with reference to the experience of counsel, the vigor with which the case was prosecuted, and any coercion or collusion that may have affected the negotiations.

Here, the Settlement is the product of extensive arm’s-length negotiations between the Parties’ experienced counsel over three mediation sessions: two presided over by Steve McNamara in 2020 and 2021 and the third session presided over by Bradley A. Gungoll in

2023. *See* **Ex. 6**, Class Counsel Decl. ¶¶ 15-19. The use of a formal settlement process supports the conclusion that the Settlement was fairly and honestly negotiated. *See Ashley v. Reg'l Transp. Dist.*, No. 05-CV-01567-WYD-BNB, 2008 WL 384579, at *6 (D. Colo. Feb. 11, 2008) (finding settlement fairly and honestly negotiated where the parties engaged in formal settlement mediation conference and negotiations over four months). And the assistance of an experienced mediator “in the settlement negotiations strongly supports a finding that they were conducted at arm’s-length and without collusion.” *In re Telik, Inc. Sec. Litig.*, 576 F. Supp. 2d 570, 576 (S.D.N.Y. 2008); *see* **Exhibit 9**, Declaration of Bradley A. Gungoll (“Gungoll Decl.”), ¶ 10 (“After presiding over the mediation process in this case, I am convinced that the parties’ settlement is the product of vigorous and independent advocacy and arm’s-length negotiation conducted in good faith. There was no collusion between the parties.”).

Additionally, Class Counsel has unique experience with oil-and-gas royalty underpayment class actions. Sharp Law LLP regularly represents plaintiffs in oil-and-gas class actions, as well as other complex commercial and consumer class action litigation, and have obtained settlements in numerous underpayment class actions in Oklahoma state and federal courts.⁵ Class Counsel are experienced and qualified counsel and represented

⁵ *See, e.g., Cook Children’s Health Foundation v. Diamondback E&P, LLC*, No. CIV-21-359-D (W.D. Okla. 2024); *Hoog v. Trinity Operating (USG), LLC*, No. 16-CV-463-RAW (E.D. Okla. 2023); *Kunneman v. Marathon Oil Co.*, No. 22-CV-274-KEW (E.D. Okla. 2023); *Pauper Petroleum, LLC v. Kaiser-Francis Oil Co.*, No. 19-CV-514-JFH-JFJ (N.D. Okla. 2023); *Cecil v. BP Am. Prod. Co.*, No. 16-CV-410-KEW (E.D. Okla. 2018); *Harris v. Chevron U.S.A., Inc.*, No.19-CV-355-SPS (E.D. Okla. 2019); *Bollenbach v. Okla. Energy Acquisitions LP*, No. 17-CV-134-HE (W.D. Okla. 2018); *McKnight Realty Co. v. Bravo Arkoma*, No. 17-CV-308-KEW (E.D. Okla. 2018); *McKnight Realty Co v. Bravo*

the Settlement Class honestly and fairly during settlement negotiations. *See Ex. 6*, Class Counsel Decl. ¶¶ 1-31.

Class Counsel’s experience positioned them well to comprehensively examine the massive amount of information and data produced in the Litigation, enabling the Parties to make informed decisions about the strengths and weaknesses of their respective cases. *See, e.g., Id.* ¶¶ 5-19; *Childs v. Unified Life Ins. Co.*, No. 10-CV-23-PJC, 2011 WL 6016486, at *12 (N.D. Okla. Dec. 2, 2011). Further, Class Representatives were involved in the negotiations and believe the settlement process resulted in an excellent recovery for the Settlement Class. *See Exs. 3-5*, Class Rep. Decls. Class Representatives expended time and resources prosecuting the Litigation, including communicating regularly with Class Counsel, providing documents and information, sitting for depositions, and participating in the negotiations that led to the Settlement. *Id.* The Parties and their lawyers were well prepared for the serious and intelligent negotiations that ultimately led to the Settlement.

These facts demonstrate the Settlement resulted from serious, informed, and non-collusive negotiations between skilled and dedicated attorneys. The first factor supports final approval.

B. Serious questions of law and fact exist, placing the ultimate outcome in doubt

The existence of serious questions of law and fact place the ultimate outcome of this Litigation in doubt, and such doubt “tips the balance in favor of settlement because

Arkoma, LLC, No. 20-CV-428-KEW (E.D. Okla. 2018); *Nash Family Mineral Trust v. Lime Rock Resources II-A, L.P.*, No. CJ-17-31 (Okla. Dist. Texas Cty. 2019).

settlement creates a certainty of some recovery and eliminates doubt, meaning the possibility of no recovery after long and expensive litigation.” *McNeely v. Nat’l Mobile Health Care, LLC*, No. 07-CV-933-M, 2008 WL 4816510, at *13 (W.D. Okla. Oct. 27, 2008) (internal citations omitted).

There are numerous factual and legal issues about which the Parties disagree, issues that would ultimately be decided by a court or a jury. Despite Class Representatives’ optimism regarding their chances at trial, the Parties vehemently disagree on numerous factual and legal issues, and Defendants deny any wrongdoing giving rise to liability for royalty underpayment on gas royalties. Settlement renders the resolution of these issues unnecessary and provides a guaranteed recovery in the face of uncertainty. Because this Litigation presents serious issues of law and fact that place the ultimate outcome in doubt, the second factor supports final approval of the Settlement.

C. The value of immediate recovery outweighs the mere possibility of future relief after long and expensive litigation

The complexity, uncertainty, expense, and likely duration of further litigation and appeals also support approval of the proposed Settlement. The immediate value of \$20,500,000.00 cash recovery alone outweighs the uncertainty, additional expense, and likely duration of further litigation. The Settlement Class is “better off receiving compensation now as opposed to being compensated, if at all, several years down the line, after the matter is certified, tried, and all appeals are exhausted.” *See McNeely*, 2008 WL 4816510, at *13. The Settlement represents a meaningful recovery for the Settlement Class without the risk or additional expense of further litigation. These immediate benefits must

be compared to the risk that the Settlement Class may recover nothing after class certification, summary judgment, trial, and likely appeals, possibly years into the future. *See In re Sprint Corp. ERISA Litig.*, 443 F. Supp. 2d 1249, 1261 (D. Kan. 2006).

While Class Counsel is confident in their ability to prove the claims asserted, they also recognize liability is far from certain and many potential obstacles to obtaining a final, favorable verdict exist. Even if Class Representatives established liability at trial, Defendants would have vigorously attacked the damages sustained by the Settlement Class, claiming they are far less than the Settlement Amount and further whittling them down with myriad defenses. Through the Settlement, the Settlement Class is guaranteed a cash payment without risks attendant to further litigation.

Class Counsel is intimately familiar with the risks of proceeding with the Litigation because they have extensive experience prosecuting oil-and-gas class actions. *See Ex. 6*, Class Counsel Decl. ¶¶ 1-2. Class Counsel believes the value of the Settlement outweighs the risks of proceeding further with the Litigation. *Id.* ¶¶ 45, 50. When the risks and uncertainties of continuing the Litigation are compared to the immediate benefits of the Settlement, it is clear the Settlement is fair, reasonable, and in the best interests of the Settlement Class. The third factor supports final approval of the Settlement.

D. The Parties agree the Settlement is fair and reasonable

The fact that Class Representatives and Defendants believe the Settlement is fair and reasonable supports final approval. Class Counsel and Class Representatives only agreed to settle the Litigation after considering the substantial benefits the Settlement Class will receive, the risks and uncertainties of continued litigation, and the desirability of

proceeding under the terms of the Settlement Agreement.

Class Counsel's judgment as to the fairness of the Settlement also supports final approval. "Counsels' judgment as to the fairness of the [settlement] agreement is entitled to considerable weight." *Childs*, 2011 WL 6016486, at *14 (citation omitted). Class Counsel believes the terms and conditions of the Settlement are fair, reasonable, and adequate to the Settlement Class, and the Settlement is in the Class Members' best interests. *See Ex. 6*, Class Counsel Decl. ¶ 30. Class Counsel's judgment is corroborated by the judgment of the independent mediator. *See Ex. 9*, Gungoll Decl. ¶ 12 ("Based on my knowledge of the issues in dispute, my review of the substantial factual and legal materials presented before and at the mediation, the rigor of the negotiations, the relative strengths and weaknesses of the parties' positions, and the benefits achieved in the settlement, I believe the terms of the settlement are fair, adequate, reasonable and in the best interests of the Settlement Class."). This last factor fully supports the Court's final approval of the Settlement. Indeed, all four factors considered by courts in the Tenth Circuit support final approval of the Settlement.

3. The Notice Method Used was the Best Practicable Under the Circumstances and Should be Approved

The Court should approve the Notice given to the Settlement Class. Rule 23(c)(2)(B) requires that notice of a settlement be "the best notice practicable under the circumstances, including individual notice to all members who can be identified through reasonable effort." Fed. R. Civ. P. 23(c)(2)(B). Also, Rule 23(e)(1) instructs courts to "direct notice in a reasonable manner to all class members who would be bound by the

proposal.” Fed. R. Civ. P. 23(e)(1). In terms of due process, a settlement notice need only be “reasonably calculated, under all the circumstances, to apprise interested parties of the pendency of the action and afford them an opportunity to present their objections.” *Fager v. CenturyLink Commc’ns, LLC*, 854 F.3d 1167, 1171 (10th Cir. 2016) (citing *Mullane v. Cent. Hanover Bank & Trust Co.*, 339 U.S. 306, 314 (1950)). “The Supreme Court has consistently endorsed notice by first-class mail,” holding “a fully descriptive notice . . . sent first-class mail to each class member, with an explanation of the right to ‘opt out,’ satisfies due process.” *Id.* at 1173. Here, the Notice campaign carried out by Class Counsel and the Settlement Administrator is substantially comparable to and perhaps exceeds the highly successful notice campaigns completed in other oil-and-gas class actions approved by district courts in Oklahoma.

In its Preliminary Approval Order, the Court preliminarily approved the form and manner of the Notice disseminated by the Settlement Administrator, finding the Notices “are the best notice practicable under the circumstances, constitute due and sufficient notice to all persons and entities entitled to receive such notice, and fully satisfy the requirements of applicable laws, including due process and Federal Rule of Civil Procedure 23.” Docket No. 136 at 6-7, ¶¶ 8-9. The Court directed dissemination of the Notices in accordance with the Settlement Agreement and the Preliminary Approval Order. *Id.*

The Notice was mailed to over 20,000 potential Class Members on April 3, 2024, and further diligence was conducted to ascertain proper mailing addresses. **Ex. 7**, Keough Decl. ¶¶ 4-8. In addition, the Court-approved Notice was published on April 11, 2024, in two newspapers of circulation where the majority of the Class Members reside, *The*

Oklahoman and *The Tulsa World*, as directed in the Preliminary Approval Order. *Id.* ¶ 9.b.; **Ex. 7**, Keough Decl. ¶ 9. The Notices materially informed Class Members about the Litigation, the Settlement, and the facts needed to make informed decisions about their rights. Also, the Notices, along with other documents germane to the Settlement, were posted on the website created for and dedicated to this Litigation, www.sagacity-cimarex.com, beginning on March 19, 2024. *Id.* ¶ 9.c. This website is maintained by the Settlement Administrator, where additional information regarding the Settlement can be found. *Id.*; **Ex. 7**, Keough Decl. ¶ 10.

In sum, the form, manner, and content of the Notice campaign were the best practicable notice, and their contents were reasonably calculated to, and did, apprise Class Members of the pendency and nature of the Settlement and afforded them an opportunity to opt out or object. Therefore, the Court should grant final approval of the Notice given to the Settlement Class here.

4. The Preliminary Distribution Schedule Should Be Approved

The Court should also approve the proposed Preliminary Distribution Schedule, which is attached as Exhibit 2 to the Reineke Declaration (**Exhibit 8**). Like the Settlement itself, a plan of allocation or distribution schedule must also be approved as fair and reasonable. *See In re Sprint Corp. ERISA Litig.*, 443 F. Supp. 2d at 1262 (citing *In re Global Crossing Sec. & ERISA Litig.*, 225 F.R.D. at 462). Where, as here, the Allocation Methodology and plan of distribution is formulated by competent and experienced class counsel, together with experts, the plan need only have a reasonable, rational basis. *Id.* Generally, a plan of allocation that reimburses class members based on the type and extent

of their injuries is reasonable. *Id.*; *see also, e.g.*, Initial Plan of Allocation Order, *Chieftain Royalty Company v. XTO Energy, Inc.*, No. 11-CV-00029-KEW, Docket No. 233 (E.D. Okla. Mar. 27, 2018).

Class Counsel, together with experts, have formulated the Allocation Methodology here. This Methodology reimburses Class Members proportionately relative to the extent of their injuries for gas royalty deductions. Importantly, this is not a claims-made settlement, nor is it a settlement where a Class Member must take further action to participate. Instead, every Class Member who did not effectively opt out of the Settlement will receive a check for their allocation of the Net Settlement Amount, subject to a *de minimis* threshold of \$5. Docket No. 129-1, at 24-25, ¶ 6.2.

Specifically, the Net Settlement Amount will be allocated to individual Class Members proportionately based primarily on the extent of the deduction of Post-Production Costs reflected in Defendants' payment details for the Claim Period. Docket No. 129-1, at 24-25, ¶ 6.2. Pursuant to the Settlement Agreement, the Preliminary Distribution Schedule further assumes a reduction for Plaintiff's Attorneys' Fees, Litigation Expenses, Administration, Notice, and Distribution Costs, and an Incentive Award, which amounts will ultimately be determined by the Court at the Final Fairness Hearing. Docket No. 129-1, at 26, ¶¶ 6.3 & 6.4.

Class Representatives and Class Counsel, with the aid of the Settlement Administrator, will allocate the Net Settlement Amount proportionately among all Class Members using the Allocation Methodology. A Distribution Check for each Class Member's allocation of the Net Settlement Amount will then be mailed to each respective

Class Member's last known mailing address, using the payment history data produced. Returned or stale-dated Distribution Checks shall be reissued as necessary to effectuate delivery to the appropriate Class Members using commercially reasonable methods.

Because the proposed Preliminary Distribution Schedule was formulated by competent and experienced Counsel and is based on the type and extent of each Class Member's particular loss as described by the Allocation Methodology, the Court should approve it as fair, reasonable, and adequate.

CONCLUSION

Class Representatives respectfully request that the Court enter the proposed Judgment, attached as **Exhibit 1**.⁶ The proposed Judgment grants: (1) final certification of the Settlement Class; (2) final approval of the Settlement as fair, reasonable, and adequate, and in the best interests of the Settlement Class; and (3) final approval of the Notice to Class Members. Class Representatives and Class Counsel also request that the Court enter the proposed Preliminary Distribution Order, attached as **Exhibit 2**, to govern the allocation and distribution of the Net Settlement Amount to Class Members.

⁶ **Exhibit 1** reserves space for the Court to rule on objections, if any, and determine the approved requests for exclusion.

Case No. CIV-17-101-GLJ

JUDGMENT

This is a class action lawsuit brought by Plaintiffs Sagacity, Inc., The Duncan Group, LLC, and Hitch Enterprises, Inc. (“Plaintiffs”), on behalf of themselves and a class of similarly situated persons described below (collectively, the “Settlement Class”) against Cimarex Energy Co., Magnum Hunter Production, Inc., Prize Energy Resources, Inc., Cimarex Energy Company of Colorado, and Key Production Company, Inc. (collectively, “Defendants”) for the alleged underpayment of royalties on natural gas, natural gas liquids, and associated hydrocarbons produced from wells located in Oklahoma during the Claim

Period.¹ On February 2, 2024, the Parties executed a Settlement Agreement. The Settlement Agreement, together with the documents referenced therein and exhibits thereto, sets forth the terms and conditions for the proposed Settlement of the Litigation.

On March 4, 2024, the Court preliminarily approved the Settlement Agreement and issued an Order Granting Preliminary Approval of Class Action Settlement, Certifying the Class for Settlement Purposes, Approving Form and Manner of Notice, and Setting Date for Final Fairness Hearing (the “Preliminary Approval Order”). In the Preliminary Approval Order, the Court, *inter alia*:

- a. certified the Settlement Class for settlement purposes, finding all requirements of Federal Rule of Civil Procedure 23 have been satisfied with respect to the proposed class settlement;
- b. appointed Plaintiffs as Class Representatives and Plaintiffs’ Counsel, Rex A. Sharp and Scott B. Goodger of Sharp Law, LLP, as Class Counsel;
- c. preliminarily found: (i) the proposed Settlement resulted from extensive arm’s-length negotiations; (ii) the proposed Settlement was agreed to only after Class Counsel had conducted legal research and discovery regarding the strengths and weaknesses of Class Representatives’ and the Settlement Class’s claims; (iii) Class Representatives and Class Counsel have concluded that the proposed Settlement is fair, reasonable, and adequate; and (iv) the

¹ Capitalized terms not otherwise defined in this Order shall have the meaning ascribed to them in the Settlement Agreement.

proposed Settlement is sufficiently fair, reasonable, and adequate to warrant sending notice of the proposed Settlement to the Settlement Class;

- d. preliminarily approved the Settlement as fair, reasonable, and adequate and in the best interest of the Settlement Class;
- e. preliminarily approved the form, content, and manner of the proposed Notices of Settlement to be communicated to the Settlement Class, finding specifically that such Notices of Settlement, among other information: (i) described the terms and effect of the Settlement; (ii) notified the Settlement Class that Class Counsel will seek Plaintiffs' Attorneys' Fees, reimbursement of Litigation Expenses and Administration, Notice, and Distribution Costs, and an Incentive Award for Class Representatives' representation of the Settlement Class; (iii) notified the Settlement Class of the time and place of the Final Fairness Hearing; (iv) described the procedure for requesting exclusion from the Settlement; and (v) described the procedure for objecting to the Settlement or any part thereof;
- f. instructed the Settlement Administrator to disseminate the approved Notices of Settlement to potential members of the Settlement Class in accordance with the Settlement Agreement and in the manner approved by the Court;
- g. provided for the appointment of a Settlement Administrator;
- h. provided for the appointment of an Escrow Agent;

- i. set the date and time for the Final Fairness Hearing as June 7, 2024, at 10:30 A.M. in Courtroom 4, in the United States District Court for the Eastern District of Oklahoma; and
- j. set out the procedures and deadlines by which Class Members could properly request exclusion from the Settlement Class or object to the Settlement or any part thereof.

After the Court issued the Preliminary Approval Order, due and adequate notice by means of the Notices of Settlement was given to the Settlement Class, notifying them of the Settlement and the upcoming Final Fairness Hearing. On June 7, 2024, in accordance with the Preliminary Approval Order and the Notices of Settlement, the Court conducted a Final Fairness Hearing to, *inter alia*:

- a. determine whether the Settlement should be approved by the Court as fair, reasonable, and adequate and in the best interests of the Settlement Class;

- b. determine whether the notice method utilized by the Settlement Administrator: (i) constituted the best practicable notice under the circumstances; (ii) constituted notice reasonably calculated under the circumstances to apprise Class Members of the pendency of the Litigation, the Settlement, their right to exclude themselves from the Settlement, their right to object to the Settlement or any part thereof, and their right to appear at the Final Fairness Hearing; (iii) was reasonable and constituted due, adequate, and sufficient notice to all persons and entities entitled to such notice; and (iv) meets all applicable requirements of the Federal Rules of Civil Procedure and any other applicable law;

c. determine whether to approve the Allocation Methodology, and the Distribution Schedule of the Net Settlement Amount to Class Members who did not timely submit a valid Request for Exclusion or were not otherwise excluded from the Settlement Class by order of the Court;²

d. determine whether a Judgment should be entered pursuant to the Settlement Agreement, *inter alia*, dismissing the Litigation against Defendants with prejudice and extinguishing, releasing, and barring all Released Claims against all Released Parties in accordance with the Settlement Agreement;

e. determine whether the applications for Plaintiffs' Attorneys' Fees, reimbursement for Litigation Expenses and Administration, Notice, and Distribution Costs, and Incentive Award to Class Representatives are fair and reasonable and should be approved,³ and

f. rule on such other matters as the Court deems appropriate.

The Court, having reviewed the Settlement, the Settlement Agreement, and all related pleadings and filings, and having heard the evidence and argument presented at the Final Fairness Hearing, now **FINDS, ORDERS, and ADJUDGES** as follows:

1. The Court, for purposes of this Judgment, adopts all defined terms as set forth in the Settlement Agreement and incorporates them as if fully set forth herein.

² The Court will issue a separate order on the allocation and distribution of the Net Settlement Amount among the Class Members (the "Final Distribution Schedule").

³ The Court will issue separate orders on Plaintiffs' Counsel's request for Attorneys' Fees, reimbursement of Litigation Expenses, and Administration, Notice, and Distribution Costs, and the Class Representatives' request for an Incentive Award.

2. The Court has jurisdiction over the subject matter of this Litigation and all matters relating to the Settlement, as well as personal jurisdiction over Defendants and Class Members.

3. The Settlement Class, which was certified in the Court's Preliminary Approval Order, is defined as follows:

All royalty owners in Oklahoma wells (a) operated and leased by Cimarex Energy Co., (b) operated by Cimarex Energy Co. of Colorado, Inc. and leased by Prize Energy Resources, Inc. or Magnum Hunter Production, Inc., and (c) operated or leased by Key Production Company, Inc. that have produced gas or gas constituents (such as residue gas or natural gas liquids) from January 1, 2013, to November 30, 2023.

Excluded from the Class are: (1) the Mineral Management Service (Indian tribes and the United States) and the State and Counties of Oklahoma; (2) Defendants, their affiliates, and employees, officers and directors; (3) Any NYSE or NASDAQ listed company (and its subsidiaries) engaged in oil and gas exploration, gathering, processing, or marketing; (4) royalty owners who have already filed and still have pending lawsuits for underpayment of royalties against Defendants, including: Fortis Minerals II, LLC, Fortis Sooner Trend, LLC, FMII STM, LLC, Sooner Trend Minerals, LLC, and Phenom Minerals, LLC; (5) all royalty owners that expressly authorized in their leases the deduction of processing costs from royalties; and (6) all royalty owners to the extent their wells are both subject to the class action settlement in *Chieftain Royalty Co. v. QEP Energy*, No. 5:11-cv-00212-R, and the well was subsequently acquired by Defendants or any of their affiliates.

For purposes of clarification, and as requested by the U.S. Department of Interior, the exclusion related to the Minerals Management Service (Indian tribes and the United States) includes agencies, departments, or instrumentalities of the United States of America and

any Indian Tribe as defined in 30 U.S.C. § 1702(4) or Indian allottee as defined in 30 U.S.C. § 3702(2).

4. For substantially the same reasons as set out in the Court's Preliminary Approval Order, [Docket No. 136], the Court finds that the above-defined Settlement Class should be and is hereby certified for the purposes of entering this Judgment pursuant to the Settlement Agreement. Specifically, the Court finds that all requirements of Rule 23(a) and Rule 23(b)(3) have been satisfied for settlement purposes. Because this case has been settled at this stage of the proceedings, the Court does not reach, and makes no ruling either way, as to the issue of whether the Settlement Class could have been certified in this case on a contested basis.

5. The Court finds that the persons and entities identified in the attached Exhibit 1 have submitted timely and valid Requests for Exclusion and are hereby excluded from the foregoing Settlement Class, will not participate in or be bound by the Settlement, or any part thereof, as set forth in the Settlement Agreement, and will not be bound by or subject to the releases provided for in this Judgment and the Settlement Agreement.

6. At the Final Fairness Hearing on June 7, 2024, the Court fulfilled its duties to independently evaluate the fairness, reasonableness, and adequacy of, *inter alia*, the Settlement and the Notice of Settlement provided to the Settlement Class, considering not only the pleadings and arguments of Class Representatives and Defendants and their respective Counsel, but also the concerns of any objectors and the interests of all absent Class Members. In so doing, the Court considered arguments that could reasonably be

made against, *inter alia*, approving the Settlement and the Notice of Settlement, even if such argument was not actually presented to the Court by pleading or oral argument.

7. The Court further finds that due and proper notice, by means of the Notices of Settlement, was given to the Settlement Class in conformity with the Settlement Agreement and Preliminary Approval Order. The form, content, and method of communicating the Notices of Settlement disseminated to the Settlement Class and published pursuant to the Settlement Agreement and the Preliminary Approval Order: (a) constituted the best practicable notice under the circumstances; (b) constituted notice reasonably calculated, under the circumstances, to apprise Class Members of the pendency of the Litigation, the Settlement, their right to exclude themselves from the Settlement, their right to object to the Settlement or any part thereof, and their right to appear at the Final Fairness Hearing; (c) was reasonable and constituted due, adequate, and sufficient notice to all persons and entities entitled to such notice; and (d) met all applicable requirements of the Federal Rules of Civil Procedure, the Due Process Clause of the United States Constitution, the Due Process protections of the State of Oklahoma, and any other applicable law. Therefore, the Court approves the form, manner, and content of the Notices of Settlement used by the Parties. The Court further finds that all Class Members have been afforded a reasonable opportunity to request exclusion from the Settlement Class or object to the Settlement.

8. Pursuant to and in accordance with Federal Rule of Civil Procedure 23, the Settlement, including, without limitation, the consideration paid by Defendants, the covenants not to sue, the releases, and the dismissal with prejudice of the Released Claims

against the Released Parties as set forth in the Settlement Agreement, is finally approved as fair, reasonable, and adequate and in the best interests of the Settlement Class. The Settlement Agreement was entered into between the Parties at arm's length and in good faith after substantial negotiations free of collusion. The Settlement fairly reflects the complexity of the Claims, the duration of the Litigation, the extent of discovery, and the balance between the benefits the Settlement provides to the Settlement Class and the risk, cost, and uncertainty associated with further litigation and trial. Serious questions of law and fact remain contested between the Parties. The Settlement provides a means of gaining immediate, valuable and reasonable compensation and forecloses the prospect of uncertain results after many more months or years of additional discovery and litigation. The considered judgment of the Parties, aided by experienced legal counsel, supports the Settlement.

9. By agreeing to settle the Litigation, the Defendants do not admit, and instead specifically deny, that the Litigation could have otherwise been properly maintained as a contested class action, and specifically deny any and all wrongdoing and liability to the Settlement Class, Class Representatives, and Class Counsel.

10. The Court finds that on February 28, 2024, the Defendants caused notice of the Settlement to be served on the appropriate state official for each state in which a Class Member resides, and the appropriate federal official, as required by and in conformance with the form and content requirements of 28 U.S.C. § 1715. [Docket No. 134]. In connection therewith, the Court has determined that, under 28 U.S.C. § 1715, the appropriate state official for each state in which a Class Member resides was and is the

State Attorney General for each such state, and the appropriate federal official was and is the Attorney General of the United States. No appropriate state or federal official has entered an appearance or filed an objection to the entry of final approval of the Settlement. Thus, the Court finds that all requirements of 28 U.S.C. § 1715 have been met and complied with and, as a consequence, no Class Member may refuse to comply with or choose not to be bound by the Settlement and this Court's Orders in furtherance thereof, including this Judgment, under the provisions of 28 U.S.C. § 1715.

11. The Litigation and Released Claims are dismissed with prejudice as to the Released Parties. All Class Members who have not validly and timely submitted a Request for Exclusion to the Settlement Administrator as directed in the Notice of Settlement and Preliminary Approval Order (a) are hereby deemed to have finally, fully, and forever conclusively released, relinquished, and discharged all of the Released Claims against the Released Parties and (b) are barred and permanently enjoined from, directly or indirectly, on any Class Member's behalf or through others, suing, instigating, instituting, or asserting against the Released Parties any claims or actions on or concerning the Released Claims. Neither Party will bear the other's Party's litigation costs, costs of court, or attorney's fees.

12. The Court also approves the efforts and activities of the Settlement Administrator and the Escrow Agent in assisting with certain aspects of the administration of the Settlement, and directs them to continue to assist Class Representatives and Class Counsel in completing the administration and distribution of the Settlement in accordance with the Settlement Agreement, this Judgment, any Distribution Schedule approved by the Court, and the Court's other orders.

13. Nothing in this Judgment shall bar any action or claim by Class Representatives or Defendants to enforce or effectuate the terms of the Settlement Agreement or this Judgment.

14. The Settlement Administrator is directed to refund to Defendants the gross amounts attributable to Class Members under the preliminary Distribution Schedule who timely and properly submitted a Request for Exclusion or who were otherwise excluded from the Settlement Class by order of the Court in accordance with the timing, terms, and process detailed in the Settlement Agreement.

15. Neither this Settlement, the Settlement Agreement, any document referred to herein, nor any action taken to carry out the Settlement is, may be construed as, or may be used as, evidence of or an admission or concession by Defendants of any fault, wrongdoing, or liability whatsoever with respect to the claims and allegations in the Litigation, or class certifiability. Entering into or carrying out the Settlement Agreement, and any negotiations or proceedings related thereto, and the Settlement Agreement itself, are not, and shall not be construed as, or deemed to be evidence of, an admission or concession by any of the Parties to the Settlement Agreement and shall not be offered or received as evidence in any action or proceeding by or against any Party hereto in any court, administrative agency, or other tribunal for any purpose whatsoever other than to enforce the provisions of the Settlement between Defendants and any Class Member(s), the provisions of the Settlement Agreement, or the Judgment, or to seek an Order barring or precluding the assertion of Released Claims in any proceeding. Further, this final Judgment shall not give rise to any

admission or collateral estoppel effect as to the certifiability of any class in any other proceeding.

16. The Allocation Methodology and the Final Distribution Schedule are approved as fair, reasonable and adequate, and Class Counsel and the Settlement Administrator are directed to administer the Settlement Agreement accordingly.

17. The Court finds that Class Representatives, Defendants, and their Counsel have complied with the requirements of the Federal Rules of Civil Procedure as to all proceedings and filings in this Litigation. The Court further finds that Class Representatives and Class Counsel adequately represented the Settlement Class in entering into and implementing the Settlement.

18. Neither Defendants nor their Counsel shall have any liability or responsibility to Plaintiffs, Class Counsel, or the Settlement Class with respect to the Gross Settlement Amount or its administration, including but not limiting to any distributions made by the Escrow Agent or Settlement Administrator. No Class Member shall have any claim against Plaintiffs, Class Counsel, the Settlement Administrator, the Escrow Agent, or any of their respective designees or agents based on the distributions made substantially in accordance with the Settlement Agreement, the Final Distribution Schedule, or other orders of the Court.

19. Any Class Member who receives a Distribution Check that he/she/it is not legally entitled to receive is hereby ordered to either (a) pay the appropriate portion(s) of the Distribution Check to the person(s) legally entitled to receive such portion(s), or (b) return the Distribution Check uncashed to the Settlement Administrator.

20. All matters regarding the administration of the Escrow Account and the taxation of funds in the Escrow Account or distributed from the Escrow Account shall be handled in accordance with the Settlement Agreement.

21. Any order approving or modifying any Distribution Schedule, the application by Class Counsel for an award of Plaintiffs' Attorneys' Fees or reimbursement of Litigation Expenses and Administration, Notice, and Distribution Costs, or the request of Class Representatives for an Incentive Award shall be handled in accordance with the Settlement Agreement and the documents referenced therein.

22. Without affecting the finality of this Judgment in any way, the Court (along with any appellate court with power to review the Court's orders and rulings in the Litigation) reserves exclusive and continuing jurisdiction to enter any orders as necessary to administer the Settlement Agreement, including jurisdiction to determine any issues relating to the payment and distribution of the Net Settlement Amount and to enforce the Judgment.

23. In the event the Settlement is terminated as the result of a successful appeal of this Judgment or does not become Final and Non-Appealable in accordance with the terms of the Settlement Agreement for any reason whatsoever, then this Judgment and all orders previously entered in connection with the Settlement shall be rendered null and void and shall be vacated. The provisions of the Settlement Agreement relating to termination of the Settlement Agreement shall be complied with, including the refund of amounts in the Escrow Account to Defendants.

24. Without affecting the finality of this Judgment in any way, the Court (along with any appellate court with power to review the Court's orders and rulings in the Litigation) reserves exclusive and continuing jurisdiction to enter any orders as necessary to administer the Settlement Agreement, including jurisdiction to determine any issues relating to the payment and distribution of the Net Settlement Amount, to issue additional orders pertaining to, *inter alia*, Class Counsel's request for Plaintiffs' Attorneys' Fees and reimbursement of reasonable Litigation Expenses and Administration, Notice, and Distribution Costs, and Class Representatives' request for an Incentive Award, and to enforce this Judgment. Notwithstanding the Court's jurisdiction to issue additional orders in this Litigation, this Judgment fully disposes of all claims as to Defendants and is therefore a final appealable judgment. The Court further hereby expressly directs the Clerk of the Court to file this Judgment as a final order and final judgment in this Litigation.

Case No. CIV-17-101-GLJ

PRELIMINARY DISTRIBUTION ORDER

This Preliminary Distribution Order sets forth the Allocation Methodology that will be used to administer and distribute the Net Settlement Amount to Class Members. The Net Settlement Amount will be allocated to each Class Member based on Section 6 of the Settlement Agreement (Docket No. 129-1) titled “Allocation and Distribution” and any orders of the Court modifying the same.

ALLOCATION METHODOLOGY

The Allocation Methodology is the proposed method for calculating the Net Settlement Amount for distribution to Class Members and will be used for presenting the Final Distribution Schedule to the Court for approval after the Final Fairness Hearing.

Docket No. 129-1, ¶¶ 1.2, 3.9 & Section 6. The Net Settlement Amount will be allocated among individual Class Members based primarily on the extent of the deduction of Post-Production Costs reflected in Defendants' payment details for the Claim Period and other considerations described in the Declaration of Daniel T. Reineke (Docket No. 137-8), which are consistent with the factors set forth in Settlement Agreement (Docket No. 129-1, ¶ 6.2) and as approved by the Court. Pursuant to the Settlement Agreement, the Preliminary Distribution Schedule reduces the amount available for distribution for estimates of Plaintiff's Attorneys' Fees, Litigation Expenses, and Administration, Notice, and Distribution Costs, and an Incentive Award, which amounts the Court will determine at the Final Fairness Hearing and which will be implemented in the Final Distribution Schedule.

The Court reserves the right to modify this Preliminary Distribution Order without further notice to any Class Members who have not entered an appearance. The allocation of the Net Settlement Amount among Class Members and the Allocation Methodology is a matter separate and apart from the proposed Settlement between Plaintiffs and Defendants, and any decision by the Court concerning allocation and distribution of the Net Settlement Amount among Class Members shall not affect the validity or finality of the Settlement or operate to terminate or cancel the Settlement. Docket No. 129-1, ¶ 6.1

TIME FOR ALLOCATION AND DISTRIBUTION

The allocation and distribution of the Net Settlement Amount shall be under the direct supervision of the Court and shall be consistent with the Final Distribution Schedule to be submitted by Class Counsel and approved by the Court. Furthermore, the timing,

manner, and process for any distributions shall be consistent with the timing and process provided for in the Settlement Agreement (Docket No. 129-1), which is incorporated herein by reference.

Case No. CIV-17-101-GLJ

**DECLARATION OF DAN LITTLE
IN SUPPORT OF FINAL APPROVAL MOTIONS**

I, Dan Little, of lawful age, upon personal knowledge, and pursuant to 28 U.S.C. § 1746, declare as follows:

1. I have personal knowledge of the facts set out in this declaration based upon my involvement in the Litigation and on information provided to me.

2. I respectfully submit this declaration in support of the forthcoming final approval motions in this case, including final approval of the Settlement and the request for fees, expenses, and an Incentive Award.

3. By submitting this declaration, I neither intend to, nor do I, waive any protections, including, the attorney-client privilege, work product privilege, or any other privileges I may have.

4. I am the President of Sagacity, Inc., which has been appointed a Class Representative in the Litigation. Sagacity, Inc. is an active Oklahoma corporation.

5. Sagacity, Inc. owns royalty interests in oil-and-gas wells in Oklahoma that were operated by Defendant Cimarex Energy Company of Colorado and leased by Defendants Magnum Hunter or Prize Energy Resources, L.P.

6. Sagacity, Inc., along with Hitch Enterprises, Inc. and David D. Duncan, was appointed as a class representative in an earlier class action lawsuit against Defendants, which settled royalty underpayment claims occurring before December 31, 2012. *See* Doc. 82-1 at 9, ¶¶ 1.20 & 1.21 in *Hitch Enterprises, Inc., et al. v. Cimarex Energy Co., et al.*, No. CIV-11-13-W (W.D. Okla).

7. In 2016, I obtained legal advice from Mr. Sharp, whose firm had represented Sagacity in the prior *Hitch* class action, regarding Defendants' royalty payment practices. Thereafter, I retained Class Counsel to represent Sagacity and to initiate and prosecute this Litigation. As part of that decision, I was advised and reminded of my commitment as President of Sagacity to fulfill the responsibilities as Plaintiff and proposed Class Representative in the Litigation.

8. With what I learned in retaining Class Counsel, including the risks and uncertainty associated with the Litigation, the potentially significant expenses Class Counsel might incur, and the high level of representation to be provided by Class Counsel, I agreed that Class Counsel would represent Sagacity on a contingency fee basis of forty percent of any recovery obtained. When I agreed to this arrangement, I understood a forty percent contingency fee to be the market rate for similar actions. I,

on behalf of Sagacity, executed a written agreement with Class Counsel that they could seek a fee of forty percent of any gross recovery. I understood that Class Counsel would work on a fully contingent basis and that it would not pay hourly rates or expenses under any circumstances. Sagacity's individual claim was not economic to pay the fees and expenses necessary to litigate this matter to completion on a pay-as-you-go or non-contingent fee structure.

9. I have been involved in this Litigation since before the filing of the original complaint. I reviewed the pleadings and briefing provided to me by counsel. I reviewed and responded to written discovery with the assistance of counsel. I prepared for and sat for a deposition on September 18, 2019. I was available to counsel for all three mediation sessions, and I attended the December 2023 mediation in Oklahoma City in person. I sought to understand Class Counsel's work in the Litigation at each stage, and I participated in the decision to enter into the Settlement.

10. By participating in this Litigation, I hoped to obtain a monetary recovery for Sagacity and the other royalty owners in the Settlement Class.

11. This action has been litigated for over seven years, which included the filing of briefs, including class certification briefing and appeals, pursuing document productions, reviewing documents, deposition discovery, consulting with experts, reviewing and analyzing complex accounting information, creating damages modeling, multiples mediations, reviewing settlement documents, and seeking the Court's approval of the Settlement. Throughout the years of litigation, I regularly communicated with Class Counsel on the status of the Litigation.

12. I believe the negotiation process in this case resulted in an excellent settlement and a significant benefit to the Settlement Class, which provides a cash value of \$20.5 million. This amount, after reduction for court-approved Plaintiffs Attorneys' Fees, reimbursement of Litigation Expenses, payment of Administration Expenses, Notice and Distribution Costs, and an Incentive Award, if any, will be distributed to Class Members once the Settlement becomes Final and Non-Appealable, if approved. I believe this is a substantial recovery for the Settlement Class.

13. Through involvement in this Litigation, I understand the claims against the Defendants have strengths and weaknesses. I am aware of the hurdles the Settlement Class would be required to overcome to certify the class on a contested basis and then prove liability and damages if the Litigation was to be tried rather than settled.

14. My understanding of the facts and law provides a basis from which I recommend approval of the Settlement. The Settlement is a substantial recovery for the Settlement Class under circumstances where it was possible that no recovery at all would be obtained. I fully support the Settlement as fair, reasonable, and adequate for the Settlement Class and Class Members.

15. I am very pleased with the efforts of Class Counsel, whom I found always conducted themselves with professionalism and diligence while effectively representing the interests of Sagacity and the Settlement Class.

16. Class Counsel is applying for an award of Plaintiffs Attorneys' Fees out of the Gross Settlement Amount, as well as reimbursement of Litigation Expenses and

Administration, Notice, and Distribution Costs reasonably and necessarily incurred in successfully prosecuting the claims in this Litigation. Because of Class Counsel's extensive, efficient, and excellent work, I approve of Class Counsel's application for a fee award equal to 40% of the Gross Settlement Amount, which is what I agreed to at the outset of the Litigation. I also approve of Class Counsel's request for reimbursement of reasonable Litigation Expenses and Administration, Notice, and Distribution Costs. I understand that if the award is granted, Plaintiffs Attorneys' Fees and reimbursed Litigation Expenses and Administration, Notice, and Distribution Costs will be paid to Class Counsel out of the Gross Settlement Amount prior to the distribution of funds to Sagacity or other Class Members.

17. Class Counsel's request for Plaintiffs Attorneys' Fees is consistent with the negotiated fee agreement. I am pleased with how Class Counsel conducted the Litigation and with the results achieved. Further, I support Class Counsel's request for reimbursement of Litigation Expenses and Administration, Notice, and Distribution Costs because I believe Class Counsel has prosecuted this Litigation in an efficient manner given the complexities and has incurred reasonable, necessary, and significant expenses.

18. While Sagacity will recover its pro rata share of the Net Settlement Amount, Sagacity also requests an Incentive Award for its representation of the Settlement Class. The Court-approved Class Notice states that the Class Representatives will seek an Incentive Award not to exceed 1% of the Gross Settlement Amount. This

amount is based on the amount of time dedicated to the Litigation over the course of seven years, as well as the expense, risk, and burden of serving as Class Representative in the Litigation, and a reasonable estimate of the time to be dedicated to the Litigation through the final distribution of the Gross Settlement Amount. I believe that such an award is justified in this case.

19. Neither I nor Sagacity was promised any recovery or made any guarantees prior to filing this Litigation or at any time during the Litigation.

20. Based on these efforts and the benefits obtained for the Settlement Class, I submit that an Incentive Award of 1% of the Gross Settlement Amount to the Class Representatives, to be split pro-rata, is fair and reasonable as compensation for the time, expense, risk, and burden incurred to obtain this Settlement on behalf of the Settlement Class.

I declare under penalty of perjury that the foregoing is true and correct.

**DECLARATION OF DAVID D. DUNCAN
IN SUPPORT OF FINAL APPROVAL MOTIONS**

I, David D. Duncan, of lawful age, upon personal knowledge, and pursuant to 28 U.S.C. § 1746, declare as follows:

1. I have personal knowledge of the facts set out in this declaration based upon my involvement in the Litigation and on information provided to me.
2. I respectfully submit this declaration in support of the forthcoming final approval motions in this case, including final approval of the Settlement and the request for fees, expenses, and an Incentive Award.
3. By submitting this declaration, I neither intend to, nor do I, waive any protections, including, the attorney-client privilege, work product privilege, or any other privileges I may have.

4. I am the Manager of The Duncan Group, LLC, which has been appointed a Class Representative in the Litigation. The Duncan Group, LLC, is an active Oklahoma limited liability company.

5. The Duncan Group, LLC owns royalty interests in oil-and-gas wells in Oklahoma that were operated and leased by Defendant Cimarex Energy Co.

6. I, along with Hitch Enterprises, Inc. and Sagacity, Inc., was appointed as a class representative in an earlier class action lawsuit against Defendants, which settled royalty underpayment claims occurring before January 1, 2013. *See* Doc. 82-1 at 9, ¶¶ 1.20 & 1.21 in *Hitch Enterprises, Inc., et al. v. Cimarex Energy Co., et al.*, No. CIV-11-13-W (W.D. Okla).

7. In 2016, I obtained legal advice from Mr. Sharp, whose firm had represented me in the prior *Hitch* class action, regarding Defendants' royalty payment practices. Thereafter, I retained Class Counsel to represent The Duncan Group and to initiate and prosecute this Litigation. As part of that decision, I was advised and reminded of my commitment as managing member of The Duncan Group to fulfill the responsibilities as Plaintiff and proposed Class Representative in the Litigation.

8. With what I learned in retaining Class Counsel, including the risks and uncertainty associated with the Litigation, the potentially significant expenses Class Counsel might incur, and the high level of representation to be provided by Class Counsel, I agreed that Class Counsel would represent The Duncan Group on a contingency fee basis of forty percent of any recovery obtained. When I agreed to this arrangement, I understood a forty percent contingency fee to be the market rate for similar actions. I, on

behalf of The Duncan Group, executed a written agreement with Class Counsel that they could seek a fee of forty percent of any gross recovery. I understood that Class Counsel would work on a fully contingent basis and that it would not pay hourly rates or expenses under any circumstances. The Duncan Group's individual claim was not economic to pay the fees and expenses necessary to litigate this matter to completion on a pay-as-you-go or non-contingent fee structure.

9. I have been involved in this Litigation since before the filing of the original complaint. I reviewed the pleadings and briefing provided to me by counsel. I reviewed and responded to written discovery with the assistance of counsel. I prepared for and sat for a deposition on September 17, 2020. I was available to counsel for all three mediation sessions. I sought to understand Class Counsel's work in the Litigation at each stage, and I participated in the decision to enter the Settlement.

10. By participating in this Litigation, I hoped to obtain a monetary recovery for itself and the other royalty owners in the Settlement Class.

11. This action has been litigated for over seven years, which included the filing of briefs, including class certification briefing and appeals, pursuing document productions, reviewing documents, deposition discovery, consulting with experts, reviewing and analyzing complex accounting information, creating damages modeling, multiples mediations, reviewing settlement documents, and seeking the Court's approval of the Settlement. Throughout the years of litigation, I regularly communicated with Class Counsel on the status of the Litigation.

12. I believe the negotiation process in this case resulted in an excellent

settlement and a significant benefit to the Settlement Class, which provides a cash value of \$20.5 million. CLASS COUNSEL

The undersigned Class Counsel jointly submit this declaration under penalty of perjury in support of the Motion for Final Approval of the Class Action Settlement and the Motion for Approval of Plaintiffs' Attorneys' Fees, Litigation Expenses, Administration, Notice, and Distribution Costs, and Incentive Award, which are filed contemporaneously with this declaration.¹ The statements made are based upon the personal knowledge and information for each of us.

3. The Court has appointed Rex A. Sharp and Scott B. Goodger as Lead Class Counsel for the Settlement Class. Doc. 136 at 4, ¶ 4.

4. As Lead Class Counsel, we have achieved an exceptional result, obtaining \$20,500,000.00 cash recovery for the Settlement Class. See Doc. 129-1 at 8, ¶1.19.

Work Completed Before Filing Suit

5. Mr. Sharp previously represented the same plaintiffs against the same defendants as in this action in a class action lawsuit for underpayment of royalties. See *Hitch Enterprises, Inc., David D. Duncan, and Sagacity, Inc. v. Cimarex Energy Co.*, Key

Production Company, Inc., Magnum Hunter Production, Inc., Prize Energy Resources, L.P., and Gruy Petroleum Management Company (n/k/a Cimarex Energy Company of Colorado), No. CIV-11-13-W (W.D. Okla.). In July 2013, Judge Lee West entered final judgment on the *Hitch* class action settlement. *See id.*, Doc. 145. The *Hitch* settlement released Defendants from claims arising before December 31, 2012. *See id.*, Doc. 82-1 at 9-10, ¶¶ 1.20, 1.21. *See also*, Doc. 126 in this case, Second Amended Complaint, at 5, ¶ 16 (“The prior settlement in *Hitch v. Cimarex Energy Co.* releases Defendants before January 1, 2013.”) and Doc. 131, Answer, at 4, ¶ 16 (admitting same).

6. In the years after the *Hitch* settlement, the Cimarex Entities continued many of the royalty payment practices that gave rise to the *Hitch* lawsuit.² So, Plaintiffs provided us records so we could investigate the payment practices of the Cimarex Entities after January 1, 2013.

7. Over several months, we extensively investigated those payment practices and spoke with multiple other royalty owners. We collected and reviewed oil-and-gas leases and remittance statements.

8. We reviewed and analyzed documents and information available to us, including legal instruments and publicly available information about Defendants and their business in Oklahoma.

9. Based on our review and analysis, and after discussing the same with our clients, we initiated three separate class action lawsuits: (1) This lawsuit, originally styled *Sagacity, Inc. v. Magnum Hunter Production, Inc., Prize Energy Resources, L.P. and Cimarex Energy Company of Colorado*, Case No. CJ-17-01 (Okla. Dist. Ct., Marshall

² Cimarex Energy Co. is the parent company of Magnum Hunter Production, Inc., Prize Energy Resources, Inc., Cimarex Energy Company of Colorado, and Key Production Company, Inc.

County) (original petition filed February 23, 2017 and removed to this Court) (the “Eastern District Action”); (2) *The Duncan Group, LLC v. Cimarex Energy Co.*, Case No. CIV-18-00123-JD (W.D. Okla.) (Original complaint filed February 8, 2018) (the “Western District Action”); and (3) *Hitch Enterprises, Inc. v. Key Production Company, Inc.*, Case No. CJ-2017-01 (Okla. Dist. Ct., Texas County) (Original petition filed January 3, 2017) (the “State Court Action”).

10. The claims alleged in the three cases are materially the same, and the parties in the cases are represented by the same counsel but the relationship among the parties in each case differs. Defendants Prize Energy Resources, Inc. and/or Magnum Hunter Production, Inc. held one or more of Plaintiff Sagacity’s leases and Defendant Cimarex Energy Company of Colorado operated one or more of the wells and paid royalty owed under the leases or Orders issued by the Oklahoma Corporation Commission that govern the wells. Doc. 126 at 2-3, ¶ 4. Defendant Cimarex Energy Co. held the leases, operated the wells, and paid royalty on the wells to The Duncan Group, LLC. *Id.* at 3, ¶ 5. Defendant Key Production Company, Inc. held the leases, operated the wells, and paid royalty on the wells to Plaintiff Hitch Enterprises, Inc. *Id.* at ¶ 6.

Work Done After Filing

11. **Work Done in the Eastern District Action.**³

- a. Plaintiff Sagacity, Inc. filed its original class action petition against Defendants Magnum Hunter Production, Inc., Prize Energy Resources, L.P., and Cimarex Energy Company of Colorado on January 3, 2017, in the District Court of Marshall County, Oklahoma. On January 25, 2017, Defendants removed the case to this Court where it was assigned

³ All “Doc.” citations in this paragraph are to the document number in the PACER docket for the Eastern District Action.

Case No. 17-CV-28-KEW.

- b. Defendants filed a partial motion to dismiss the petition for failure to state a claim. Plaintiff Sagacity filed a Notice of Dismissal on February 22, 2017, voluntarily dismissing the case without prejudice to refiling.
- c. On February 23, 2017, Plaintiff Sagacity filed a new class action petition in the District Court of Marshall County, Oklahoma, where it was assigned Case No. CJ-17-18. Defendants again removed the action to this Court, where it was assigned Case No. 17-CV-101-KEW. Doc. 1.
- d. Defendants refiled their partial motion to dismiss on March 28, 2017. Doc. 12.
- e. Plaintiff Sagacity moved to stay briefing on Defendants' motion to dismiss pending a ruling on Plaintiff's motion to remand the case to state court. Doc. 13. In that motion, Plaintiff represented that the Parties had agreed that Plaintiff would move to amend its claims, regardless of forum, to delete the unjust enrichment and breach of fiduciary duty claims that were the subject of Defendants' partial motion to dismiss; thereby, rendering moot Defendants' motion. Doc. 13 at 2, ¶ 9. The Court granted this motion. Doc. 16. Additionally, in the Minute Order, the Court noted the Parties' consent to proceed before a United States Magistrate Judge. *Id.*
- f. On April 20, 2017, Plaintiff Sagacity filed its motion to remand the case to the state court. Doc. 17. Defendants responded and Plaintiff replied. Docs. 18 & 19. The Court denied the motion to remand. Doc. 22.

- g. Pursuant to the Parties' agreement in the motion to stay, the Parties consented to the filing of Plaintiff's First Amended Class Action Complaint. Docs. 23 & 24. Defendants filed their Answer on October 8, 2018. Doc. 25.
- h. On December 10, 2018, the Court entered the Parties' proposed Stipulated Protective Order and discovery began. *See, e.g.*, Doc. 34, 35, & 36. Plaintiff served ten (10) business record subpoenas on midstream service providers. Docs. 36-1 to 36-9, & 40-1. Class Counsel spent many hours following up on the subpoenas with each company, negotiating compliance with each company, reviewing documents produced by each company, notifying each company of deficiencies in compliance, and negotiating resolution to those deficiencies.
- i. On August 19, 2019, Plaintiff Sagacity filed its motion for class certification with supporting sealed and unsealed exhibits. Docs. 45-48, & 50. The filing was voluminous, including a declaration from Plaintiff, the leases Defendants produced in the case, a lease review summarizing the royalty terms in the leases, the multiple gas contracts and monthly plant statements that Defendants produced in the case, the royalty revenue accounting decks that Defendants produced, documents obtained pursuant to subpoenas to the midstream services providers, and an expert report explaining the significance of and interplay among the foregoing types of documents.
- j. In response to Plaintiff's motion for class certification, Defendants filed a motion to strike inadmissible class certification evidence, a

motion to strike class certification allegations, and its response to Plaintiff's motion for class certification. Docs. 61, 62, and 63. Plaintiff responded to the two motions to strike and Defendants replied in support of their motions to strike. Docs. 64, 65, 72 & 72.

- k. Before filing their reply in support of class certification, Plaintiff took the depositions of Defendants' three expert witnesses and three employees. *See* Docs. 73-78. Additionally, the Parties stipulated to the use of two depositions taken in the Western District Action. Doc. 81.
- l. Plaintiff filed its reply in support of its class certification motion on July 22, 2020, with supporting sealed and unsealed exhibits. Docs. 85, 87-89 & 96.
- m. Defendants then moved to strike two of Plaintiff's experts. Doc. 91. Plaintiff responded and Defendants replied. Docs. 94 & 95.
- n. On September 30, 2020, the Court held a hearing on Plaintiff's motion for class certification and Defendants' multiple motions to strike. Docs. 98 & 101. The Court denied Defendants' motion to strike the class certification allegations from the bench and ordered the Parties to prepare proposed findings of fact and conclusions of law on Plaintiff's motion for class certification and Defendants' motion to strike inadmissible class certification evidence. Docs. 98 & 103. The Parties submitted their respective proposed findings of fact and conclusions of law as ordered on November 30, 2020. Docs. 104 & 105. Defendants' proposed findings and conclusions totaled 42 pages. Doc. 104. Plaintiff's proposed findings and conclusions totaled 45 pages. Doc. 105.

- o. The Parties also filed and responded to multiple Notices of Supplemental Authority on the issue of class certification. *See, e.g.*, Docs. 107, 108, 113, 114, 116.
- p. On November 8, 2023, this Court entered its Order Granting Motion to Certify Class. Doc. 117.⁴ The Order also denied Defendants' three motions to strike class allegations, inadmissible class certification evidence, and Plaintiff's experts. *Id.*

12. **Work Done in the Western District Action.**⁵

- a. On April 6, 2018, Defendant Cimarex Energy Co. filed its partial motion to dismiss The Duncan Group's class action complaint. Doc. 15. Plaintiff responded and Defendant replied. Docs. 16 & 17. The Court entered its eight-page order denying the motion to dismiss in September 2018. Doc. 18. Cimarex then filed its answer. Doc. 19.
- b. The Parties next negotiated the Joint Status Report and Discovery Plan and submitted separate proposed scheduling orders to reflect their disparate views on Cimarex's request to file multiple summary judgment motions, including some before Plaintiff's motion for class certification was briefed. *See* Docs. 21, 21-1 and 21-2. The Parties also submitted a negotiated proposed protective order to facilitate discovery. Docs. 22 & 23. The Court entered its Scheduling Order on November 30, 2018, which implicitly denied Cimarex's request to file

- multiple summary judgment motions. Doc. 28.
- c. Cimarex then filed a motion for leave to file multiple summary judgment motions. Doc. 30. Plaintiff responded and Defendant replied. Docs. 34 & 36. The Court denied the motion. Doc. 37.
 - d. The Parties served initial disclosures and written discovery. Plaintiff noticed depositions of two Cimarex employees. Docs. 56 & 57. The Parties stipulated to the use of depositions of three other Cimarex employees taken in the Eastern District Action. Doc. 63.
 - e. In addition, Plaintiff served 17 business records subpoenas to third-party midstream service providers. *See* Docs. 53-55. Class Counsel spent substantial time following up on and negotiating compliance with the subpoenas and gathering and reviewing documents produced in response to the subpoenas, as well as pursuing affidavits from the respective custodians of records.
 - f. On August 25, 2020, Plaintiff filed its motion for class certification with its many supporting exhibits, including a declaration from David Duncan and three expert reports, each of which had its own exhibits. Docs. 68 to 74.
 - g. Thereafter, Cimarex moved to depose a paralegal employed by Class Counsel and requested expedited briefing on the motion. Doc. 75. Plaintiff responded and Defendant replied. Docs. 78 & 79. The Court denied the motion. Doc. 80.
 - h. On the day before its response to Plaintiff's motion for class certification was due, Cimarex filed a motion to strike the class allegations. Doc. 83.

- i. And, the very next day, Cimarex filed its over-length response to Plaintiff's motion for class certification with 16 supporting exhibits, including reports from its three experts. Docs. 82 & 84.
- j. Plaintiff responded to Cimarex's motion to strike the class allegations. Doc. 87. Cimarex replied. Doc. 89. Ultimately, the Court denied Cimarex's motion to strike the class allegations. Doc. 123.
- k. Cimarex also moved to strike the rebuttal report of one of Plaintiff's experts. Doc. 96. Plaintiff responded. Doc. 99. Cimarex replied, attaching nine (9) exhibits to its reply brief. Doc. 100. Among the nine exhibits were the respective Defendants' response briefs to the respective Plaintiff's motions for class certification in the Eastern District Action and the State Court Action as well as Defendants' motion to strike the class allegations in the Eastern District Action. Docs. 100-1, 100-2, & 100-3. The Court granted this motion to strike in part. Doc. 126.
- l. Plaintiff replied to Cimarex's response to the motion for class certification. Doc. 92.
- m. The Parties then jointly moved for oral argument on class certification, noting both Parties filed "voluminous evidence" in support of their briefing and representing that the evidentiary record compiled was "significant." Doc. 97 at 2, ¶ 3. In addition, the Parties encouraged oral argument of Cimarex's two related motions to strike. *Id.* at 2, ¶ 4. After a telephonic status conference on this motion, the Court denied the motion without prejudice and referred the Parties to ADR. Docs. 108, 109, 110. ADR did not resolve the dispute. Doc. 111.

- n. Cimarex next filed its motion for summary judgment on the merits of Plaintiff's claim. Doc. 114. Plaintiff opposed the motion. Doc. 117. And Cimarex replied. Doc. 118.
- o. Shortly after completion of the summary judgment briefing, the Court set the motion for class certification for hearing and ordered the Parties to ADR for a third time before the hearing. Docs. 124, 127 & 129. This third mediation resulted in the settlement that is before the Court for final approval. Doc. 134.
- p. The Parties also filed multiple notices of supplemental authority throughout the duration of the case. *See, e.g.*, Docs. 101, 121, 122, 130, 131, and 133.
- q. The Western District Action is administratively closed until August 20, 2024, pending final approval of the Settlement. Docs. 136 & 137.

13. **Work Done in the State Court Action.**⁶

- a. As in the Western District Action, Defendant Key Production filed a partial motion to dismiss Plaintiff Hitch Enterprises' petition. Plaintiff responded and Key replied. The Parties resolved the issues raised in the motion before the hearing and Plaintiff filed an amended class action petition on April 11, 2017.
- b. Thereafter, the Parties conferred on and agreed to a scheduling order, which the district court entered. The Parties then negotiated an agreed protective order for purposes of discovery. On June 21, 2017, Hitch

⁶ All "Doc." citations in this paragraph are to the date of filing on the ODCR docket for the State Court Action, was attached to the Preliminary Approval Motion (Doc. 129) as Doc. 129-3.

filed the affidavits of service for nine (9) third-party document subpoenas on midstream service providers. Plaintiff's counsel spent significant time following up on each subpoena and negotiating compliance. These third-party document productions also required many hours of review and analysis.

- c. On March 18, 2018, Hitch filed its motion for class certification with many exhibits in support of the motion. On December 14, 2018, Defendant Key Production filed its response. Additionally, on the same date, Key Production filed two affirmative motions: (1) Defendant Key Production Company, Inc.'s Motion to Strike Inadmissible Class Certification Evidence; and (2) Defendant Key Production Company, Inc.'s Motion for Summary Judgment and Brief in Support Thereof. Plaintiff filed its reply in support of its motion for class certification and responses to Key Production's motion to strike and motion for summary judgment. Key Production replied.
- d. Plaintiff Hitch also filed its own motion for summary judgment. Key Production responded and Plaintiff replied.
- e. Plaintiff Hitch also filed a motion to convert mini-trial to hearing on class certification, which was fully briefed.
- f. The district court held a hearing on the foregoing motions and entered orders on the same on February 27, 2019. It granted Defendant's motion to strike inadmissible class certification evidence. It denied Plaintiff's motion to convert mini-trial to hearing on class certification. It denied Defendant's motion for summary judgment.
- g. As in the Western District Action, the Parties filed notices of

supplemental authority and even engaged in a briefing battle over one notice that contained only two sentences. *See* Notice of Supp. Authority filed May 20, 2019. Defendant Key Production’s response to those two sentences was 104 pages, consisting of three supplemental expert reports. *See* Defendant Key Production Company, Inc.’s Response to Plaintiff’s Notice of Supplemental Authority filed June 26, 2019. Plaintiff Hitch moved to strike the response. *See* Plaintiff’s Motion to Strike Defendant’s Response to Plaintiff’s Notice of Supplemental Authority filed July 1, 2019. Defendant Key Production responded. *See* Defendant Key Production Company, Inc.’s Response to Plaintiff’s Motion to Strike Defendant’s Response to Plaintiff’s Notice of Supplemental Authority filed July 5, 2019. To this response, Plaintiff filed its reply. *See* Plaintiff’s Reply in Support of Motion to Strike Defendant’s Response to Plaintiff’s Notice of Supplemental Authority filed July 10, 2019.

- h. On July 16, 2020, the district court heard argument on Plaintiff Hitch’s motion for class certification, which it granted on August 13, 2020. Defendant Key Production then appealed.
- i. The Parties briefed the propriety of the district court’s class certification order to the Oklahoma Supreme Court, which assigned the matter to the Oklahoma Court of Civil Appeals.⁷ The COCA affirmed the trial court’s class certification decision on December 30, 2022.⁸ Defendant Key Production then filed a petition for writ of

certiorari in the Oklahoma Supreme Court. Devon Energy Production Company, L.P. and Continental Resources, Inc. moved to file statement of amicus curiae in support of certiorari, as did the Petroleum Alliance of Oklahoma, Inc. Plaintiff Hitch answered both the petition for writ and the two amici briefs. On October 16, 2023, the Oklahoma Supreme Court denied the petition for certiorari, with all justices concurring. The mandate was issued on November 16, 2023, and filed in the district court record on November 27, 2023.

14. As each of the foregoing paragraphs show, the Parties were fervently battling in all three cases at the same time. The briefing was significant: the issues hard-fought on all sides. Plaintiffs won some battles: Defendants won others.

15. **Mediation of the Litigation.** Over the course of the Litigation, the Parties participated in mediation on three separate occasions. The first and second mediation sessions occurred on December 9, 2020, and September 8, 2021, before Stephen R. McNamara with the law firm Hall Estill in Tulsa, Oklahoma. Mr. McNamara has practiced oil and gas law since 1979 and was formerly chief counsel of Reading & Bates Petroleum Co. from 1980 through 1987. His practice includes representation of dozens of independent oil and gas producers in Oklahoma and mediation of oil and gas disputes.⁹

16. The two mediation sessions advanced the parties' understanding of the dispute and the experts' refinement of the damages modelling but resulted in no resolution. *See* Docs. 98 and 111 in *The Duncan Group, LLC v. Cimarex Energy Co.*, Case No. CIV-18-00123-JD (W.D. Okla.).

17. The third mediation occurred on December 12, 2023, before Bradley A.

Gungoll of Gungoll Jackson Box & Devoll, P.C. in Oklahoma City. Mr. Gungoll's practice includes representation of Oklahoma oil and gas producers and mediation of oil and gas disputes. He is past chairman of the Mineral Law section of the Oklahoma Bar Association, and a current member of the Board of Natural Resources Committee of the Oklahoma Bar Association.¹⁰ With groundwork laid at the two prior mediation sessions and class certification determined in the Eastern District Action and the State Court Action, the dispute was primed for resolution and resulted in the proposed class settlement. See Doc. 118.

18. Before each mediation, we conferred with our clients and prepared them to participate in the mediation sessions in-person or by telephone. If unable to be present in-person, they arranged their schedules to be available by telephone to discuss possible settlement terms.

19. Both Parties prepared and submitted written mediation statements and exhibits to the mediator. The mediators reviewed and analyzed the Parties' respective submissions and conferred multiple times with the Parties' respective counsel, bringing their extensive knowledge of Oklahoma oil and gas law to bear on the dispute. *See* Declaration of Bradley A. Gungoll, Doc. 137-9.

20. **Settlement Drafting Process.** On December 22, 2023, the Parties notified the Court of the proposed settlement and consented to the entry of an Administrative Closing Order to permit them time to draft, negotiate, and execute mutually agreeable settlement documents. Doc. 121 at 2, ¶ 5. Based on this filing, the Court granted the Parties until February 26, 2024, to file relevant class settlement pleadings and motions. Doc. 122.

21. **Settlement Agreement.** The Parties executed the Stipulation and

Settlement Agreement on February 2, 2024. Doc. 125.

22. As a term of the proposed settlement, the Parties agreed to consolidated administration of the proposed class settlement before this Court to achieve efficiency, economy, and clarity for Class Members. *See* Doc. 121.

23. To give the Court jurisdiction over all Parties necessary to effectuate the settlement of the three class action lawsuits, the Parties consented to the filing of the Second Amended Class Action Complaint. *See* ¶ 11, *supra*; Docs. 125 & 126. Defendants waived service of the Complaint and filed their Answer. Docs. 127, 128 & 130.

24. **Preliminary Approval of the Settlement.** On February 23, 2024, Plaintiff filed the Unopposed Motion To Certify The Settlement Class For Settlement Purposes, To Preliminarily Approve The Class Action Settlement, To Approve The Form And Manner Of Notice, And To Set A Date For A Final Fairness Hearing (the “Motion for Preliminary Approval”). Doc. 129. Attached as an exhibit to the Motion for Preliminary Approval is the complete Settlement Agreement signed by counsel and the parties on February 2, 2024. Doc. 129-1.

25. Defendants filed their Notice of Compliance with the Class Action Fairness Act, 28 U.S.C. § 1715. Doc. 134.

26. The Court entered its Order granting the Motion for Preliminary Approval on March 4, 2024 (the “Preliminary Approval Order”). Doc. 136.

27. **Notice Campaign and Preliminary Distribution Schedule.** We worked with the Settlement Administrator to carry out the Notice campaign, which is detailed in the Settlement Administrator’s Declaration (Doc. 137-7, Keough Decl.), and with experts to formulate the Preliminary Distribution Schedule. *See* Declaration of Daniel T. Reineke, Doc. 137-8. These efforts took months of constant communication and tasks to effectuate the Notice campaign and to formulate the Preliminary Distribution Schedule in accordance

with the Settlement Agreement and Preliminary Approval Order. This work included obtaining information from the Cimarex Entities, which allowed the Notice campaign and Preliminary Distribution Schedule to proceed to completion. We also communicated with potential Class Members as to any questions posed by those persons regarding the Settlement and their options as potential Class Members.

The Overwhelming Positive Reaction to the Settlement

28. Since the Notice campaign was effectuated, and at the time this declaration was executed, only two (2) requests for exclusion have been received. *See* Doc. 137-7, Keough Decl. ¶¶ 14–15. And no objections have been received. *Id.* at ¶¶ 16–17. Because this declaration is required to be filed before the final deadline for filing objections or requesting exclusion, Class Counsel will update the Court regarding any requests for exclusion or objections filed after the Court imposed deadlines.

29. The vast majority of Class Members have indicated approval of the terms of the Settlement Agreement by choosing to participate in the Settlement.

30. In Class Counsel’s judgment, the Settlement is fair, reasonable, and adequate, as indicated by the overwhelming support of Class Members.

31. The Settlement was also the result of an arm’s length, heavily negotiated process, carried out by experienced counsel and mediator. This further supports the fairness and reasonableness of the Settlement.

Plaintiffs’ Attorneys’ Fees

32. Class Counsel is seeking a 40% contingency fee, as is the customary fee in these sorts of cases.

33. Class Representatives negotiated agreements to prosecute this Litigation on a fully contingent basis, with a fee arrangement of 40% of any recovery obtained for the putative class after the filing of the Litigation.

34. Numerous state and federal courts in Oklahoma, including this Court, have recognized that a 40% contingent fee is standard in Oklahoma oil-and-gas class action litigation. *See, e.g., Hoog v. PetroQuest Energy, L.L.C.*, No. 16-CV-463-KEW, 2023 WL 2989947, at *4 (E.D. Okla. Apr. 4, 2023) (finding that a “40% fee is consistent with the market rate for high quality legal services in class actions like this”); *Kunneman Props. LLC v. Marathon Oil Co.*, No. 22-cv-274-KEW (E.D. Okla. Feb. 16, 2023) (Docket No. 24 at 8-9) (same); *see Chieftain Royalty Co. v. Newfield Exploration Mid-Continent Inc.*, No. 17-CV-336- KEW, 2020 WL 8339215, at * 6 (E.D. Okla. Mar. 3, 2020) (“I find this fee [40%] is consistent with the market rate and is in the range of the ‘customary fee’ in oil and gas class actions in Oklahoma state courts over the past fifteen (15) years.”).

35. Based upon our experience, knowledge, education, study, and professional qualifications, we believe that the 40% contingent fee agreed to with Class Representative is the market rate for this case and is fair and reasonable. *See* Decl. of [Former] Judge Michael Burrage, *Reirdon v. XTO Energy, Inc.*, No. 16-cv-00087-KEW (E.D. Okla. Dec. 27, 2017) (Doc. 96-4, ¶ 4) (“I believe, and numerous state and federal courts in Oklahoma have determined that a 40% contingent fee is within the appropriate market range for cases of this nature.”); Decl. of Steven S. Gensler, *id.* at Doc. 92, ¶ 45 (“It is also my understanding that 40% is a typical contingent fee in oil and gas royalty class action litigation in Oklahoma.”).

36. Because a contingent fee is set in the marketplace and is definitive evidence of the reasonable and fair percentage fee at the time the risk is undertaken and largely unknown, courts often focus on the contingent fee class action agreement to set the fee for the entire class.

37. Courts in the Tenth Circuit consider the *Johnson* factors to determine whether the requested fee is reasonable. *Voulgaris v. Array Biopharma, Inc.*, 60 F.4th 1259,

1263, n.1 (10th Cir. 2023) (citing *Johnson v. Georgia Highway Express, Inc.*, 488 F.2d 714 (5th Cir. 1974)).

38. **The time and labor required:** The first consideration is not prominent in a contingent fee case such as this. *See Hoog*, 2023 WL 2989947, at *2 (“[I]n the Tenth Circuit, in a percentage of the fund recovery case such as this, where federal common law is used to determine the reasonableness of the attorneys’ fee under Rule 23(h), neither a lodestar nor a lodestar cross check is required.”); *Kunneman Props. LLC v. Marathon Oil Co.*, No. 22-cv-274-KEW (E.D. Okla. Feb. 16, 2023) (Docket No. 24 at 4) (same). Nevertheless, our efforts and time invested over the many years of this Litigation is discussed at length *supra*. This factor supports the fee request.

39. **The novelty and difficulty of the questions presented by the litigation:** While oil-and-gas class actions are not necessarily novel, they are incredibly difficult and complex, which is proven by the sheer fact that very few law firms undertake them. *Chieftain*, 2020 WL 8339215, at *5 (“Class actions are known to be complex and vigorously contested . . . The legal and factual issues litigated in this case involved complex and highly technical issues.”). The continued difficulty of this area of the law, both in an oil-and-gas context and in a class action context, is also evident from the various positions taken by various judges, some denying class certification altogether. This factor supports the fee request.

40. **The skill required to perform the legal services properly:** Class actions are inherently difficult and generally hard fought, as is oil-and-gas litigation. Combined, the two areas of law require substantial skill and diligence. Very few firms even undertake such litigation. *Id.* at *5 (“I find the Declarations and other undisputed evidence submitted prove that this Litigation called for Class Counsel’s considerable skill and experience in oil and gas and complex class action litigation to bring it to such a successful conclusion,

requiring investigation and mastery of complex facts, the ability to develop creative legal theories, and the skill to respond to a host of legal defenses.”).

41. **The preclusion of other employment by the attorney due to the acceptance of the case:** While not a critical factor, it is common knowledge that the longer a case goes on the more other legal business it precludes since a lawyer and a law firm only have a finite amount of time to offer. This factor supports the fee request.

42. **The customary fee:** As shown above, the customary fee is 40%. *See supra* ¶¶ 34-35. Sometimes more is awarded if counsel must go through trial or handle the case on appeal. Sometimes less is awarded if the case is a mega fund case. This Litigation is neither. This factor supports the fee request.

43. **Whether the fee is fixed or contingent:** This factor is the only one in the disjunctive—fixed “or” contingent. It is important to preserve the parties’ expectations in their representation agreement. In a contingent fee context, a poor result means a poor fee (regardless of how long or hard the attorney worked, or how much skill displayed). A loss means no fee and usually the attorney “eats” the out-of-pocket expenses too. *See Chieftain*, 2020 WL 8339215, at *7 (“If Class Counsel had not been successful, they would have received zero compensation (not to mention [zero] reimbursement for expenses).”). When successful, a contingent fee must significantly exceed an hourly fee to recognize the risk of a substantial financial loss if the plaintiff is unsuccessful. Both types of fee structures are used in different settings, and both are ethical, legal, and reasonable. The fee in this case was a contingent fee case. This factor supports the fee request.

44. **Time limitations imposed by the client or the circumstances:** This was not a factor in this case and should not influence the Court one way or the other.

45. **The amount in controversy and the results obtained:** The Parties had varying damage models, as is customary. And the \$20.5 million cash settlement represents

a significant amount of the potential damages calculated by the parties' experts. The result obtained in a contingent fee case is by far the most important factor in determining the fee to award. *See Hensley v. Eckerhart*, 461 U.S. 424, 436 (1983) (the "critical factor is the degree of success obtained"). Many class actions have settled near or for a lower proportionate recovery of actual damages recovered here, and many actions have failed altogether. This factor supports the fee request.

46. **The experience, reputation, and ability of the attorney:** We have extensive experience with both class actions and royalty underpayment suits, as this Court has previously found. *See supra* ¶¶ 1–2. We believe our experience and skill have served the Class Members well, meriting an award of fees as requested. Moreover, in this case, we faced opposition from experienced counsel from well-respected law firms regularly hired by large, sophisticated corporate defendants. This factor supports the fee request.

47. **Whether or not the case is an undesirable case:** Very few attorneys have the desire to take the risk involved in class actions. That is even more so in oil-and-gas class actions, where a litigation battle is waged against a well-financed oil and gas company. *See, e.g., Chieftain*, 2020 WL 8339215, *8 ("Compared to most civil litigation, this Litigation clearly fits the "undesirable" test and no other firms or plaintiffs have asserted these claims against Newfield . . . Few law firms would be willing to risk investing the time, trouble and expenses necessary to prosecute this Litigation[.]"). This factor supports the fee request.

48. **The nature and length of the professional relationship with the client:** This factor has little if any relevance here, but still supports the requested award. We represented the Class Representatives in the prior *Hitch* Settlement and worked with the same Class Representatives throughout this Litigation to prosecute the claims in this Litigation. The Class Representatives zealously represented the Class by reviewing and responding to

written discovery, by preparing and sitting for depositions, and by representing the interest of the Class in the multiple mediation sessions. This factor supports the fee request.

49. **Awards in similar cases:** As shown above, the usual fee in the context of oil- and-gas class action litigation like this is 40%. This factor supports the fee request.

50. **The risk of recovery in the litigation:** The risk of no recovery was substantial. Many oil-and-gas class actions have met with no class certification and, as a result, no recovery. And, of course, trial and the inevitable appeal is always risky. This factor supports the fee request.

51. Overall, the factors, and certainly the most important factors, support a 40% fee.

Litigation Expenses

52. The books and records of Sharp Law, LLP reflect the expenses incurred for this Litigation. Based on our oversight of the work in connection with the Litigation and our review of these records, we, Rex A. Sharp and Scott B. Goodger believe them to constitute an accurate record of the expenses actually incurred by the firm in connection with the Litigation, and that all of the expenses were necessary to the successful conclusion of this case. The total expenses paid by Sharp Law, LLP to date are \$618,053.09.

53. The expenses will increase as we prepare for the Final Fairness Hearing, including preparation of the Preliminary Distribution Schedule and the Final Distribution Schedule after the Final Fairness Hearing, as well as we direct the administration of the Settlement and distribution of the Net Settlement Amount to the Class Members. Also, expenses will increase to the extent that bills for expenses have not yet arrived and been catalogued into the presently available number. At this time, we anticipate that we will incur an additional \$35,000.00 in Litigation Expenses through the conclusion of this Litigation.

Administration, Notice, and Distribution Costs

54. The court-appointed Settlement Administrator, JND, has incurred \$32,692.43 as of May 9, 2024. *See* Doc. 137-7, Keough Decl. ¶ 18. Under the Settlement Agreement, these Administration, Notice, and Distribution Costs are to be paid from the Gross Settlement Amount.

55. JND estimates that it will require an additional \$105,938.57 in Administration, Notice, and Distribution Costs to complete the settlement process, for an overall total cost of \$138,631 in Administration, Notice, and Distribution Costs. *Id.*

Incentive Award

56. The Class Representatives in this Litigation were indispensable. *See* Docs. 137-3, 137-4, and 137-5, Class Representatives' Declarations. Class Representatives engaged experienced counsel, significantly assisted with the Litigation, with the negotiation of the settlement, and with the process for completing and seeking approval of the Settlement. When reason and common sense suggested mediating a resolution, Class Representatives assisted in the process to ensure it was fair, reasonable, fully adversarial, and non-collusive. Class Representatives have earned an Incentive Award, and 1–2% is common in oil-and-gas class actions in Oklahoma. *See, e.g., Hoog*, 2023 WL 2989947, at *6 (E.D. Okla. Apr. 4, 2023) (awarding 1% of the Gross Settlement Fund as an incentive award); *Kunneman Props. LLC v. Marathon Oil Co.*, No. 22-cv-274-KEW (E.D. Okla. Feb. 16, 2023) (Docket No. 24 at 12-13) (awarding 2% of the Gross Settlement Fund as an incentive award); *Harris v. Chevron U.S.A., Inc., et al.*, No. 19-CV-355-SPS, 2020 WL 81874464, at *8 (E.D. Okla. Feb. 27, 2020) (The class representative's "request for an award of two percent is consistent with awards entered by Oklahoma state and federal courts, as well as federal courts across the country."); *Underwood v. NGL Energy Partners, L.P.*, No. 21-CV-135-CVE-SH (N.D. Okla. June 15, 2023), Doc. 73 at 11 (awarding 2%

of the Gross Settlement Fund); *Hay Creek Royalties, LLC v. Mewbourne Oil Co.*, No. 20-CV-1199-F (W.D. Okla. July 11, 2022), Doc. 38 at 14 (awarding 2% of the up-front \$3,950,000.00 cash settlement value)).

57. Here, as set forth in the Notice, Class Representatives request \$205,000.00 as an Incentive Award, which is 1% of the \$20,500,000.00 Gross Settlement Amount, to be split pro-rata. Having worked with Class Representatives throughout the pendency of the Litigation, we fully support this request and believe the time and effort expended by Class Representatives merit an Incentive Award of this value.

Case No. CIV-17-101-GLJ

**DECLARATION OF JENNIFER M. KEOUGH ON BEHALF OF
SETTLEMENT ADMINISTRATOR, JND LEGAL ADMINISTRATION LLC,
REGARDING NOTICE MAILING AND ADMINISTRATION OF SETTLEMENT**

I, JENNIFER M. KEOUGH, declare and state as follows:

1. I am the Chief Executive Officer and President of JND Legal Administration (“JND”).¹ This Declaration is based on my personal knowledge, as well as information provided to me by experienced JND employees. If called upon to do so, I could and would testify competently thereto.

2. JND is a legal administration services provider with its headquarters located in Seattle, Washington. JND has extensive experience in all aspects of legal administration and has administered settlements in hundreds of cases. As CEO of JND, I am involved in all facets of our

¹ Capitalized terms used and otherwise not defined in this Declaration shall have the meanings given to such terms in the Settlement Agreement or Preliminary Approval Order.

Company's operation. Among my responsibilities is to monitor the implementation of our notice and claim administration programs. I have more than 20 years of legal experience designing and supervising such programs.

3. JND is serving as the Settlement Administrator in the above-captioned litigation (the "Action") pursuant to the Court's Preliminary Approval Order dated March 4, 2024.

CLASS MEMBER DATA

4. On March 22, 2024, JND received a spreadsheet containing a total of 20,942 line items representing the names, mailing addresses, and other identifying owner information. JND promptly loaded the potential Class Member data into a database established for this administration.

5. Prior to effecting notice, JND certified the mailing data via the Coding Accuracy Support System ("CASS") in order to ensure the consistency of the contact information in the database and then verified the mailing addresses through the National Change of Address ("NCOA") database², identifying updated addresses for 1,387 records. JND also conducted advanced address research through TransUnion's TLO service on 41 records with no address but for which sufficient information was available for research and identified updated addresses for 18 records. Of the 20,942 potential Class Member records, a mailing address could not be located for 264 records, leaving a total of 20,678 unique potential Class Members with a mailing address ("Initial Class Mailing List").

² The NCOA database is the official United States Postal Service ("USPS") technology product which makes changes of address information available to mailers to help reduce undeliverable mail pieces before mail enters the mail stream. This product is an effective tool to update address changes when a person has completed a change of address form with the USPS. The address information is maintained on the database for 48 months.

NOTICE MAILING

6. On April 3, 2024, JND caused the mailed Notice of Settlement to be mailed via USPS first-class mail to the 20,678 potential Class Members in the Initial Class Mailing List. A representative sample of the mailed Notice of Settlement is attached hereto as **Exhibit A**.

7. In the event any potential Class Member's notice is returned as undeliverable, JND uses all reasonable secondary efforts to deliver the notice to the Class Member. This includes re-mailing any notices returned as undeliverable with a forwarding address and conducting an advanced address search using TransUnion's TLO search, where such a search had not already been conducted, for any notices returned undeliverable without a forwarding address in an attempt to locate an updated address. JND will re-mail the notice to anyone for whom JND is able to obtain an updated address.

8. As of the date of this Declaration, JND has tracked 1,999 notices that have been returned to JND as undeliverable at the address provided. JND re-mailed 122 notices to a forwarding address provided by USPS. For the remaining undeliverable notices, JND conducted advanced address research through TransUnion's TLO service, which located updated addresses for 694 Class Members. JND duly re-mailed the Notice of Settlement to those potential Class members for whom a new address was obtained. JND also mailed the Long-Form Notice of Settlement to two (2) Class Members who had requested it.

SUMMARY NOTICE

9. JND caused the summary Notice of Settlement to be published on April 11, 2024, in *The Oklahoman* and *The Tulsa World*. Digital copies of the Notice of Settlement as seen in these publications are attached hereto as **Exhibit B**.

SETTLEMENT WEBSITE

10. On March 19, 2024, JND established a dedicated website (www.sagacity-cimarex.com), which hosts copies of important case documents, including the six (6) Original and Amended Class Action Complaints or Petitions, the Stipulation and Settlement Agreement, the Preliminary Approval Order, and the Notice of Settlement, and provides answers to frequently asked questions, as well as contact information for the Settlement Administrator. A copy of the Long Form Notice available on the website is attached hereto as **Exhibit C**.

11. As of the date of this Declaration, the website has tracked 534 unique users with 1,226 pageviews. JND will continue to update and maintain the website throughout the administration process and final approval process.

TOLL-FREE INFORMATION LINE

12. On March 25, 2024, JND established a case-specific toll-free telephone number (1-855-208-4123) with an interactive voice recording (IVR) that Class Members can use to obtain more information about the Settlement or to speak to an associate if they have any further questions.

13. As of the date of this Declaration, the toll-free number has received 136 calls.

REQUESTS FOR EXCLUSION

14. The Notice of Settlement directs that Class Members who wish to opt out of the Settlement Class could do so by mailing a valid Request for Exclusion to the Settlement Administrator, Class Counsel, and Defendant's Counsel, so that it is received on or before May 17, 2024.

15. As of the date of this Declaration, JND has received two (2) Requests for Exclusion from Class Members. The persons and entities requesting exclusion are identified in the list attached hereto as **Exhibit D**.

OBJECTIONS

16. The Notice of Settlement directs that Class Members who would like to object to the Settlement may do so by filing an objection with the Court on or before May 17, 2024.

17. As of the date of this Declaration, JND has not received and is not aware of any objections.

SETTLEMENT ADMINISTRATION COSTS

18. As of April 30, 2024, JND had incurred \$32,692.43 in administration fees and costs. JND estimates the total cost of bringing the administration of the Settlement to completion will not exceed \$138,631.

I declare under penalty of perjury that the foregoing is true and correct.

beloved local space with a brand new concept.

What happened when Hutton appeared on 'Chopped'?

Contestants were tasked to use leftovers and scraps, including everything from shrimp shells and baked ziti to lamb neck and expired milk. Hutton showed how his work through the years cooking sustainably in his own restaurant kitchens has paid off.

Ted Allen hosted the episode, part of the show's 58th season, as Hutton competed against other chefs known for their no-nonsense attitudes when it comes to zero-waste: Jamisen Booker, Shanel Dewalt and Christian Izquierdo.

In the end, Hutton survived through all three rounds of competition – appetizer, entrée and dessert – against his fellow chefs, impressing judges Marc Murphy, Tiffany Derry and Fariyal Abdullahi with his use of ingredients many would consider worthy only of the trash can or compost bin.

When recounting dishes from throughout the day, judges found multiple highlights in the courses served by Hutton.

Abdullahi praised Hutton's brain for sussing out the umami components in the appetizer and choosing to make a dashi.

"He cooked the shrimp perfectly," Murphy added of Hutton's appetizer. "And then, in the main course, it was basically the battle of the lamb neck meatballs. Zach's were light and fluffy."

Derry raved over Hutton's "really, really cool" treatment of leftover hot dog buns in the dessert round, saying he gave them the "perfect texture."

For winning the episode, Hutton earned a \$10,000 prize and the title of "Chopped" champion.

What's next for Hutton?

As the crowd at the watch party cheered, Trent Ward, owner of the property where Hutton serves as executive chef, joined him. The Huttons and their team came to work with Ward when they made the decision to close their beloved Paseo restaurant Scratch last fall.

Ward and Hutton capitalized on the high of the "Chopped" victory to share even more news with the crowd – the next steps in their partnership. Having signed a lease on the space formerly occupied by Ludivine, 320 NW 10 St., Ward is entrusting the Huttons and their team with developing a new concept.

"He's done nothing except for stun me with everything he does," Ward said of his executive chef. "We brought everybody that left Scratch over and I've been impressed. I can truly stand on the stage and say we found a gold nugget in this crew, we found a gold nugget in the space. This is going to be one of the best restaurants in Oklahoma."

It was announced that the restaurant will be called

"Alma," named for Hutton's maternal grandmother, as Ward gifted Hutton a custom art piece made from an image of a page from Hutton's notebook, scrawled in his handwriting, with the words "This page is for the beginning."

"I'm absolutely over the moon to have won this because it feels really like the means to an end to expansion, but also getting back to the things that we were really focused on with Scratch," Hutton said. "We are going to focus back on our mission of turning trash into treasure – localized food, high-end dining and sustainability – in the restaurant industry."

"I am opposed to this site. There are others I would love to explore, but I recognize we are running out of time."

Commissioner Carrie Blumert

Jail vote

Continued from Page 4A

After Wednesday's vote, Blumert said she remains convinced there are other locations closer to downtown that could work as a jail location, but said she is somewhat conflicted because she doesn't want to lose access to \$50 million in federal dollars that the county wants to use primarily to build a behavioral health center adjacent to the new jail.

"I am opposed to this site. There are others I would love to explore, but I recognize we are running out of time. We need to get going, break ground and move on this project," she said.

Maughan said Oklahoma County's staff has worked hard to select a location that works as a jail location.

"The stakes are high. I feel we have negotiated a good price on this property, and everything is in place. Now, all the city needs to do is to expedite this and approve it, so we can move forward," he said.

Davidson, meanwhile, said he appreciates and even welcomes the process Oklahoma City will follow as it ponders whether or not a special use permit for the jail at 1901 E Grand should be granted.

"We've taken our final step to get it before the city," he said after the vote, noting the county (via the current owners of the land) is requesting the same permit it did in 1991 before building the jail at 201 N Shartel.

He also noted Oklahoma City's council in 2015 changed 1901 E Grand's zoning from residential to heavy industrial, anticipating it could be used as a future jail location.

"Now, I understand it is a completely different council today. But this is pretty simple – it is a great location."

Davidson said he understands why Ward 8 Councilman Mark Stonecipher will have to recuse himself when it comes to the council's future consideration of the permit request, and said he fully appreciates how Ward 4 Councilman Todd Stone, who represents the area in question, must protect his residents' concerns as he decides how to vote.

Davidson said he was glad the city's statutory requirements for a lengthy deliberation are in place – the council will hear it twice before taking a vote – because that will give him and other county officials time to make their case to Oklahoma City's elected leaders to approve the landowner's permit request.

"This isn't about the fact we legally need them. It is about asking them to join us in the spirit of legal cooperation," Davidson said.

A court authorized this Notice. This is not a solicitation from a lawyer.

***If you belong to the Settlement Class and this Settlement is approved,
your legal rights will be affected.***

Read this Notice carefully to see what your rights are in connection with this Settlement.

Because you may be a member of the Settlement Class in the Litigation captioned above and described below (the "Litigation"), the Court has directed this Notice to be provided for you. The records of Cimarex Energy Co., Magnum Hunter Production, Inc., Prize Energy Resources, Inc., Cimarex Energy Company of Colorado, and/or Key Production Company, Inc. (collectively, the "Cimarex Entities") show you are a royalty owner in Oklahoma well(s) for which Cimarex remitted oil-and-gas royalties. ¹ This Notice is a summary of the terms of the Settlement Agreement in this matter. Please refer to the Settlement Agreement for a complete description of the terms and provisions thereof. The terms, conditions, and definitions in the Settlement Agreement qualify this Notice in its entirety.

This Notice generally explains the claims being asserted in the Litigation, summarizes the Settlement, and tells you about your rights to remain a Class Member or to timely and properly submit a Request for Exclusion (also known as an “opt out”) so that you will be excluded from the Settlement. This Notice provides information so you can decide what action you want to take with respect to the Settlement before the Court is asked to finally approve it. If the Court approves the Settlement and after the final resolution of any objections or appeals, the Court-appointed Settlement Administrator will issue payments to Class Members, without any further action from you. This Notice describes the lawsuit, the Settlement, your legal rights, what benefits are available, who is eligible for them, and how to get them.

The Settlement Class in the Litigation consists of the following individuals and entities:

All royalty owners in Oklahoma wells (a) operated and leased by Cimarex Energy Co., (b) operated by Cimarex Energy Co. of Colorado, Inc. and leased by Prize Energy Resources, Inc. or Magnum Hunter Production, Inc., and (c) operated or leased by Key Production Company, Inc. that have produced gas or gas constituents (such as residue gas or natural gas liquids) from January 1, 2013, to November 30, 2023.

Excluded from the Class are: (1) the Mineral Management Service (Indian tribes and the United States) and the State and Counties of Oklahoma; (2) Defendants, their affiliates, and employees, officers and directors; (3) Any NYSE or NASDAQ listed company (and its subsidiaries) engaged in oil and gas exploration, gathering, processing, or marketing; (4) royalty owners who have already filed and still have pending lawsuits for underpayment of royalties against Defendants, including: Fortis Minerals II, LLC, Fortis Sooner Trend, LLC, FMII STM, LLC, Sooner Trend Minerals, LLC, and Phenom Minerals, LLC; (5) all royalty owners that expressly authorized in their leases the deduction of processing costs from royalties; and (6) all royalty owners to the extent their wells are both subject to the class action settlement in *Chieftain Royalty Co. v. QEP Energy*, No. 5:11-cv-00212-R, and the well was subsequently acquired by Defendants or any of their affiliates.

Claim Period means checks or payments from the Cimarex Entities from January 1, 2013, to and including February 29, 2024, subject to the terms of the Settlement Agreement regarding Released Claims. I. General Information About the Litigation

The Litigation seeks damages for Defendants' alleged underpayment of royalties paid to Plaintiffs and the Settlement Class or their predecessors on natural gas, natural gas liquids, and associated hydrocarbons produced during the Claim Period. Defendants expressly deny all allegations of wrongdoing or liability with respect to the claims and allegations in the Litigation. The Court has made no determination with respect to the merits of any of the Parties' claims or defenses. A more complete description of the Litigation, its status, and the rulings made in the Litigation are available in the pleadings and other papers maintained by the United States District Court for the Eastern District of Oklahoma in the file for the Litigation.

II. The Settlement, Plaintiffs' Attorneys' Fees, Litigation Expenses, Administration, Notice, and Distribution Costs, an Incentive Award, and the Settlement Allocation and Distribution to the Settlement Class

On March 4, 2024, the Court preliminarily approved a Settlement in the Litigation between Plaintiffs, on behalf of themselves and the Settlement Class, and Defendants. This approval and this Notice are not an expression of opinion by the Court as to the merits of any of the claims or defenses asserted by any of the Parties to the Litigation, or of whether the Court will ultimately approve the Settlement Agreement.

In settlement of the Litigation, Defendants have agreed to pay Twenty Million, Five Hundred Thousand Dollars (\$20,500,000.00) in cash ("Gross Settlement Amount"). In exchange for the payment of the Gross Settlement Amount and other considerations stated in the Settlement Agreement, the Settlement Class shall release the Released Claims against the Released Parties. The Gross Settlement Amount, less Plaintiffs' Attorneys' Fees and Litigation Expenses and Administration, Notice, and Distribution Costs, and other costs approved by the Court, including an Incentive Award to the named Plaintiffs (the "Net Settlement Amount"), will be distributed to Class Members pursuant to the terms of the Settlement Agreement.

Class Counsel intends to seek an award of Attorneys' Fees of not more than 40% of the Gross Settlement Amount. Class Counsel have been litigating this case since 2017 without any payment whatsoever, advancing significant funds in expenses. At the Final Fairness Hearing, Class Counsel will also seek reimbursement of the litigation and administration expenses incurred in connection with the prosecution of this Litigation and that will be incurred through final distribution of the Settlement, which is estimated to be approximately \$795,000. In addition, Plaintiffs intend to seek an Incentive Award for their representation of the Class, specifically Plaintiffs' time, expense, risk, and burden in serving as Class Representatives, which amount will not exceed 1% of the Gross Settlement Amount.

The Court must approve the Allocation Methodology, which describes how the Net Settlement Amount will be allocated to Class Members. The Settlement Administrator will distribute the benefits of the Net Settlement Amount after the Effective Date of the Settlement. The Effective Date requires the exhaustion of any appeals, which may take a year or more after the entry of Judgment. The Settlement may be terminated on several grounds, including if the Court does not approve, or materially modifies, the terms of the Settlement. If the Settlement is terminated, the Litigation will proceed as if the Settlement had not been reached.

This Notice does not and cannot set out all the terms of the Settlement Agreement, which is available for review at www.sagacity-cimarex.com. This website will eventually include this Notice, the proposed Allocation Methodology, and Class Counsel's application for Attorneys' Fees and

Litigation Expenses, Administration, Notice, and Distribution Costs, and any other costs awarded by the Court. You may also receive information about the progress of the Settlement by visiting the website, or by contacting the Settlement Administrator at the address set forth above.

III. Class Settlement Fairness Hearing

The Final Fairness Hearing will be held on June 7, 2024, beginning at 10:30 a.m. CT, before the Honorable Gerald L. Jackson, United States Magistrate Judge for the Eastern District of Oklahoma, 101 North 5th Street, Courtroom 4, Muskogee, OK 74401. Please note that the date of the Final Fairness Hearing is subject to change without further notice. You should check the website at www.sagacity-cimarex.com to confirm no change to the date and time of the hearing. At the Final Fairness Hearing, the Court will consider: (a) whether the Settlement is fair, reasonable, and adequate; (b) any timely and properly raised objections to the Settlement; (c) the Allocation Methodology; (d) the application for Attorneys' Fees and Litigation Expenses and Administration, Notice, and Distribution Costs; and (e) the application for an Incentive Award for the Class Representatives.

A CLASS MEMBER WHO WISHES TO PARTICIPATE IN THE SETTLEMENT AND DOES NOT SUBMIT A VALID REQUEST FOR EXCLUSION DOES NOT NEED TO APPEAR AT THE FINAL FAIRNESS HEARING OR TAKE ANY OTHER ACTION TO PARTICIPATE IN THE SETTLEMENT.

IV. What Are Your Options as a Class Member?

A. You Can Participate in the Settlement by Doing Nothing

By taking no action, your interests will be represented by Plaintiffs as the Class Representatives and Class Counsel. As a Class Member, you will be bound by the outcome of the Settlement, if finally approved by the Court. The Class Representatives and Class Counsel believe that the Settlement is in the best interest of the Settlement Class, and, therefore, they intend to support the proposed Settlement at the Final Fairness Hearing. As a Class Member, if you are entitled to a distribution pursuant to the Allocation Methodology and Final Distribution Schedule, you will receive your portion of the Net Settlement Amount, and you will be bound by the Settlement Agreement, all orders, and the Judgment entered by the Court regarding the Settlement. If the Settlement is approved, unless you exclude yourself from the Settlement Class, neither you nor any other Releasing Party will be able to start a lawsuit or arbitration, continue a lawsuit or arbitration, or be part of any other lawsuit against any of the Released Parties based on any of the Released Claims.

B. You May Submit a Request for Exclusion to Opt Out of the Settlement Class

If you do not wish to be a member of the Settlement Class, then you must exclude yourself from the Settlement Class by complying with the requirements set forth in Section 8 of the Settlement Agreement and summarized here. All Requests for Exclusion must include: (a) the Class Member's name, address, telephone number, and notarized signature; (b) a statement that the Class Member wishes to be excluded from the Settlement Class in *Sagacity v. Cimarex Energy Co.*; and (c) a description of the Class Member's interest in any wells for which Cimarex remitted oil-and-gas proceeds, including the well name, well number, county in which the well is located, and the owner identification number. Requests for Exclusion may not be submitted through the website or by telephone, facsimile, or e-mail. Requests for Exclusion must be served on Class Counsel, the Settlement Administrator, and Defendants' Counsel by certified mail, return receipt requested and received **no later than 5 p.m. CT on May 17, 2024**. Requests for Exclusion may be mailed as follows:

portion of the Plaintiffs' Attorneys' Fees or Litigation Expenses and Administration, Notice, and Distribution Costs, or an Incentive Award sought by Class Representatives or Class Counsel on the basis that the amounts requested are unreasonably high, the objector must specifically state the portion of such requests he/she/it believes is fair and reasonable and the portion that is not. UNLESS OTHERWISE ORDERED BY THE COURT, ANY CLASS MEMBER WHO DOES NOT OBJECT IN THE MANNER DESCRIBED HEREIN WILL BE DEEMED TO HAVE WAIVED ANY OBJECTION AND SHALL BE FOREVER FORECLOSED FROM MAKING ANY OBJECTION TO THE SETTLEMENT (OR ANY PART THEREOF) AND WILL NOT BE ALLOWED TO PRESENT ANY OBJECTIONS AT THE FINAL FAIRNESS HEARING.

Case No. CIV-17-101-GLJ

DECLARATION OF DANIEL T. REINEKE

I, Daniel T. Reineke, of lawful age, upon personal knowledge, and pursuant to 28 U.S.C. § 1746, declare as follows:

1. I have a Bachelor of Science Degree from Colorado School of Mines and am a registered Petroleum Engineer in the State of Oklahoma. I have over 48 years of experience in the oil and natural gas industry in both the Mid-Continent and Rocky Mountain Regions of the United States. During this time, I have served as operator, drilling engineer, and production engineer. I have also operated numerous wells, entered into oil and gas leases, marketed natural gas, negotiated gathering, processing and sales agreements, and paid royalty to royalty interest owners like those comprising the proposed Class. I have been accepted by state and federal courts as a testifying expert in oil and gas matters

in over 60 cases, having testified in-person, by deposition, or by affidavit or declaration during class certification, trial, or settlement proceedings. I have determined or helped determine royalty owner damages due to post-production deductions more than two dozen times, and more than 20 times in class actions. My resume containing my educational background and work experience, listing the previous cases in which I have testified since 2020, and explaining my compensation for my work in this case is attached as **Exhibit 1**.

2. Class Counsel¹ asked me to assist in allocating and distributing the Net Settlement Amount to Class Members pursuant to the Settlement Agreement.

3. The Settlement Class consists of thousands of persons or entities in the following class definition:

All royalty owners in Oklahoma wells (a) operated and leased by Cimarex Energy Co., (b) operated by Cimarex Energy Co. of Colorado, Inc. and leased by Prize Energy Resources, Inc. or Magnum Hunter Production, Inc., and (c) operated or leased by Key Production Company, Inc. that have produced gas or gas constituents (such as residue gas or natural gas liquids) from January 1, 2013, to November 30, 2023.

Excluded from the Class are: (1) the Mineral Management Service (Indian tribes and the United States) and the State and Counties of Oklahoma; (2) Defendants, their affiliates, and employees, officers and directors; (3) Any NYSE or NASDAQ listed company (and its subsidiaries) engaged in oil and gas exploration, gathering, processing, or marketing; (4) royalty owners who have already filed and still have pending lawsuits for underpayment of royalties against Defendants, including: Fortis Minerals II, LLC, Fortis Sooner Trend, LLC, FMII STM, LLC, Sooner Trend Minerals, LLC, and Phenom Minerals, LLC; (5) all royalty owners that expressly authorized in their leases the deduction of processing costs from royalties; and (6) all royalty owners to the extent their wells are both subject to the class action settlement in *Chieftain Royalty Co. v. QEP Energy*, No. 5:11-cv-00212-R, and the well was subsequently acquired by Defendants or any of their affiliates.

¹ Capitalized terms not otherwise defined shall have the meaning ascribed to them in the Settlement Agreement.

4. Defendants means Cimarex Energy Co., Magnum Hunter Production, Inc., Prize Energy Resources, Inc., Cimarex Energy Company of Colorado, and Key Production Company, Inc.

5. Claim Period means checks or payments from Defendants from January 1, 2013, to and including February 29, 2024.

6. Class Representatives allege that Defendants failed to properly pay royalty on gas and its constituents to the Settlement Class, including various deductions from the Class Members' gas royalty payments.

7. The Gross Settlement Amount is \$20,500,000.00. The Settlement Agreement calls for distributions to Class Members to be made from the Net Settlement Amount.

8. The information used to allocate the Net Settlement Amount and to prepare the Preliminary Distribution Schedule, attached as Reineke **Exhibit 2**, was provided by Defendants. As noted in paragraph 10 below, the amounts on Reineke Exhibit 2 may change once the final fees and expenses are awarded by the Court and are known, after all excluded parties and opt-outs are known and any other necessary adjustments are made. These adjustments will be incorporated into the Final Distribution Schedule which Class Counsel will present to the Court for approval before the Settlement Administrator distributes the final amounts to the Class Members in the Distribution Checks.

9. After the Settlement was reached, I prepared Reineke Exhibit 2 and allocated the estimated Net Settlement Amount to individual Class Members proportionately based primarily on the deduction of Post-Production Costs reflected in Defendants' payment details for the Claim

Period. Subject to court approval, section 6.2 of the Settlement Agreement sets forth a *de minimis* threshold for distributions of \$5.00 to preserve the overall value for Class Members from the costs of distributing claims that are likely to exceed the value of those claims. Accordingly, subject to Court approval, Class Members who would otherwise receive a distribution of less than \$5.00 are included on Reineke Exhibit 2 and marked as “de minimis”: they will not receive a Distribution Check.

10. Utilizing the information and methodology described above and in Section 6 of the Settlement Agreement, I was able to allocate a calculated proportionate share of the estimated Net Settlement Amount to each Class Member. Subject to Court approval, I plan to exclude the amounts awarded for Plaintiffs’ Attorneys’ Fees, Litigation Expenses, Administration, Notice, and Distribution Costs, and an Incentive Award, and include any interest earned while the Gross Settlement Amount is in escrow. The exclusions total \$9,196,684.09, categorized as follows: (1) \$8,200,000.00 to Class Counsel as Plaintiffs’ Attorneys’ Fees; (2) \$791,684.09 for reimbursement of Litigation Expenses and Administrative, Notice, and Distribution Costs; and (3) \$205,000.00 to be split pro-rata among the Class Representatives as an Incentive Award.²

11. The estimated Net Settlement Amount to Class Members is attached hereto as Reineke Exhibit 2 and lists the estimated amounts, based on currently available information, to be distributed to such Class Members. Because Reineke Exhibit 2 will be publicly filed and made

² The allocation will be adjusted to accommodate the Court-approved awards for Plaintiffs’ Attorneys’ Fees, Litigation Expenses, Administration, Notice, and Distribution Costs, and an Incentive Award. The estimated Net Settlement Amount does not yet account for those persons who have or will opt-out of the Settlement. Once the necessary information has been received and reviewed, Exhibit 2 will be adjusted after the Final Fairness Hearing and before submission of the Final Distribution Schedule to the Court for approval in the Distribution Order pursuant to paragraph 6.4 of the Settlement Agreement.

available on the Settlement website, personal identifying information (such as names and addresses of Class Members) is not included. Instead, Class Members will be listed according to their unique owner numbers and can determine their anticipated estimated distribution from the Preliminary Distribution Schedule by reviewing Reineke Exhibit 2 for their owner numbers (found on their check stubs). Class Members below the *de minimis* threshold will not receive a Distribution Check from the Net Settlement Amount and are shown on Reineke Exhibit 2 with the “Estimated Net Settlement to Class Members” of “de minimis.” It will be a simple matter for me to prepare the Final Distribution Schedule by re-running the allocations once the final fees and expenses have been awarded and after all excluded parties and opt-outs are known.

12. Reineke Exhibit 2 was constructed using a straightforward and logical Allocation Methodology as described in Section 6 of the Settlement Agreement. Similar Allocation Methodologies have been used in prior royalty deduction class action settlements and have been found to be fair, adequate, reasonable, and in the best interest of the Settlement Class.

Executed on May 3, 2024, at Oklahoma City, Oklahoma.

Case No. CIV-17-101-GLJ

DECLARATION OF BRADLEY A. GUNGOLL

I, Bradley A. Gungoll, declare as follows:

1. I am an attorney and partner practicing law at the law firm of Gungoll, Jackson, Box & Devoll, P.C. in Oklahoma City, Oklahoma.

2. I was retained by Plaintiffs Sagacity, Inc., The Duncan Group, LLC, and Hitch Enterprises, Inc. (“Plaintiffs”) and their counsel (“Class Counsel”), and Defendants Cimarex Energy Co., Magnum Hunter Production, Inc., Prize Energy Resources, Inc., Cimarex Energy Co. of Colorado, and Key Production Company, Inc. (collectively, “Cimarex”) and their counsel, to act as an independent mediator in the above-entitled action. As described below, the mediation resulted in a proposed class settlement executed on February 2, 2024, and submitted to the Court for approval.

3. While the mediation process is confidential, I have been authorized to describe to the Court the procedural and substantive mediation matters, and to provide my opinions on the

mediation process and proposed settlement, as set forth below in this Declaration.

4. My statements and those of the parties during the mediation are subject to a confidentiality agreement, and I do not intend to waive that agreement. I make this Declaration based on personal knowledge and am competent to so testify.

Qualifications

5. I am a graduate of Oklahoma State University and Oklahoma City University College of Law. I began practicing law in 1979 in Oklahoma, primarily litigating complex civil cases and oil and gas matters. One common area of dispute, and one with which I have extensive experience, involves disagreements over the calculation and payment of royalties on the production of oil and natural gas.

6. I have mediated a number of disputes involving the alleged underpayment of royalties. These cases have involved a variety of underpayment claims, including the alleged failure to pay royalty on gas conditioning service costs such as gathering fees, gathering fuel, lost and unaccounted for gas, compression, dehydration, treatment, processing fees, processing plant fuel, raw make NGL transportation and fractionation, and other charges, as well as the alleged failure to pay or pay completely for natural gas, NGLs, Helium, Drip Condensate, and other products from oil and gas wells.

7. Before the mediation, the parties provided to me extensive legal briefing of the class certification and merits issues, supported by substantial factual, expert, and backup data. Cimarex provided additional data to Plaintiffs for their counsel and experts to analyze and the parties exchanged backup data to refine their positions ahead of the mediation. Finally, on substantive matters, I submitted detailed questions to both sides to explore their strengths and weaknesses, as well as to clarify where substantial disputes on class certification, liability, and damages still existed. Both parties responded to those questions at or before attending the mediation.

8. It was apparent to me from the submissions and presentations made by Class Counsel before and at the mediation that Class Counsel performed a thorough examination of the factual discovery and, with the aid of experts, analyzed it to determine case valuations. Legal research and analysis of Oklahoma law, federal law, and the law of other states was provided by Class Counsel, who was current and well informed on the law. It was also apparent to me that considerable work was done by Class Counsel to prepare the case for mediation. It appeared that Cimarex was cooperative in producing massive confidential data to enable Class Counsel to assess the case.

9. On December 12, 2023, the parties participated in a mediation before me in my office in Oklahoma City. After 6.5 hours of negotiation, the parties reached an agreement in principle to settle this action, and reduced the salient terms to writing, signed by the parties and me before they left my office.

10. After presiding over the mediation process in this case, I am convinced that the parties' settlement is the product of vigorous and independent advocacy and arm's-length negotiation conducted in good faith. There was no collusion between the parties.

11. I developed a complete understanding of the full range of the dispute, the respective positions of the parties, and the relative strengths and weaknesses of those positions, as well as the risks, rewards, and costs of continued litigation and inevitable appeal.

12. Based on my knowledge of the issues in dispute, my review of the substantial factual and legal materials presented before and at the mediation, the rigor of the negotiations, the relative strengths and weaknesses of the parties' positions, and the benefits achieved in the settlement, I believe that the terms of the settlement are fair, adequate, reasonable and in the best interests of the Settlement Class.

On April 27, 2024, I declare under penalty of perjury that the foregoing is true and correct.
